Department of History (P. G.)

Seminar Report on "Importance of History in Amaravathi"

Event Details:

- **Topic:** Importance of History in Amaravathi
- **Date:** 15th March 2019
- **Time:** 11:00 a.m.
- **Venue:** Room No. 3, Andhra Christian College, Guntur
- **Organized by:** Department of History (P. G.), Andhra Christian College, Guntur
- **Participants:** P. G. and U. G. students of History

Resource Person:

- **Name:** Mr. B. Suresh
- **Designation:** Research Scholar, Department of History, Acharya Nagarjuna University, Guntur
- **Alumni of:** Andhra Christian College, Guntur

Faculty Present:

- **Dr. Ch. Vijaya Kumar (Head of the Department)**
- **Dr. M. J. Jaya Prasad**
- **Mr. N. Mukkanti**
- **Mr. G. Prakasa Rao**

Summary of the Seminar:

The seminar on the "Importance of History in Amaravathi" commenced with an introductory note by Dr. Ch. Vijaya Kumar, Head of the Department of History. He welcomed the resource person, Mr. B. Suresh, an esteemed alumni of the college and a research scholar at Acharya Nagarjuna University. Dr. Ch. Vijaya Kumar emphasized the significance of understanding local history and its impact on broader historical narratives.

Mr. B. Suresh began his presentation by highlighting Amaravathi's rich historical and cultural heritage. He traced the history of Amaravathi back to ancient times, noting its prominence as a major Buddhist center during the Mauryan and Satavahana periods. He discussed the famous Amaravathi Stupa, an important monument in Buddhist history, and its role in the spread of Buddhism.

Mr. Suresh elaborated on the architectural and artistic contributions of Amaravathi, focusing on the unique features of the Amaravathi sculptures and their significance in the study of Indian art history. He also touched upon the socio-political history of the region, detailing how Amaravathi served as a significant center of political power and cultural exchange over the centuries.

The seminar also covered the modern historical context of Amaravathi, particularly its selection as the new capital city of Andhra Pradesh. Mr. Suresh discussed the ongoing developments and how they are interwoven with the region's historical legacy.

The session was interactive, with students actively participating in the discussion. They posed questions regarding the preservation of historical sites and the challenges faced in maintaining the cultural heritage of Amaravathi in the face of urban development. Mr. Suresh provided insightful answers, emphasizing the importance of historical awareness and preservation efforts.

The seminar concluded with a vote of thanks by Dr. M. J. Jaya Prasad, who appreciated Mr. B. Suresh's informative presentation and encouraged students to delve deeper into the study of local history. Dr. Jaya Prasad acknowledged the presence of faculty members Mr. N. Mukkanti and Mr. G. Prakasa Rao, and thanked them for their support in organizing the seminar.

Overall, the seminar was a resounding success, leaving the students with a greater appreciation for the history of Amaravathi and its relevance to their studies.

ANDHRA CHRISTIAN COLLEGE, GUNTUR
Department of Chemistry
Seminar Report

Topic: Optical Isomerism in Coordination Complexes

Date: 03 – 02 – 2021

Introduction: The department of chemistry, Andhra Christian College, Guntur, organised a seminar on Optical isomerism in coordination complexes. Dr. K. Nirmala Jyothi, HOD of Chemistry, J.M.J. college, Tenali, was invited as the resource person. The seminar was convened by Dr.N.J.Solomon Babu, Head of the department of chemistry.

Objectives of the seminar: The primary objectives of the seminar are,

1. To enlighten the students the basic concepts of optical isomerism and its applications in coordination complexes.
2. To have an exhaustive discussion on the topic, with illustrations.
3. To bring awareness among the students on the scope of the subject and possible areas of research.

Seminar Proceedings: The seminar began in J.D.Seelam seminar hall by 11 A.M. Dr.N.J.Solomon Babu, HOD of chemistry, introduced the theme of the seminar. Mrs.P.Anitha Pranuthi introduced the resource person of the day. Dr. K. Nirmala Jyothi gave extensive talk on optical isomerism with good number of examples. This is followed by active interaction of the students.

Key points covered:

Optical Isomerism in Coordination Compounds:

Optical isomers are related as non-superimposable mirror images and differ within the direction with which they rotate plane-polarised light. These isomers are mentioned as enantiomers or enantiomorphs of every other and their non-superimposable structures are described as being asymmetric.

For structures that don't possess a plane of symmetry, the mirror images aren't superimposable. Referred to as chiral structures, such molecules rotate a beam of polarised light.

- If the beam is rotated to the proper (when looking along the beam within the direction of propagation), the substance is claimed to be dextrorotatory (or simply Dextro) and indicated by (+).
- The substances that rotate the plane of polarised light to the left are called levorotatory or Levo and are denoted by (-).
- Racemic mixtures produce no net rotation of the polarised light when equal amounts of each form are mixed together.

Dichlorobis (ethylenediamine) cobalt (II) exists in two geometrical isomers. For the trans isomer, there's a plane of symmetry that bisects the cobalt ion and therefore the ethylenediamine ligands, leaving one Cl on either side of the plane. However, the cis isomer has no plane of symmetry. Thus, two optical isomers exist.

The existence of coordination compounds with an equivalent formula but different arrangements of the ligands were crucial within the development of coordination chemistry. Two or more compounds with an equivalent formula but different arrangements of the atoms are called isomers.

Because isomers usually have different physical and chemical properties, it's important to understand which isomer we are handling.

Interactive session:

The main presentation was followed by an interactive session, the students were allowed to ask questions and engage in discussions with the resource person Dr. K. Nirmala Jyothi. The students participated with enthusiasm, as it is informative and provided the students a deeper understanding about the topic.

Conclusion:

The seminar was concluded with vote of thanks by Mr. Y. Durga Prasad, senior lecturer in Chemistry. The students expressed their gratitude to Dr. K. Nirmala Jyothi for her valuable and informative presentation. The seminar successfully achieved its objectives, by increasing the awareness about the subject and motivating them for research.

Acknowledgements:

The Department of Chemistry, Andhra Christian College, Guntur, extends its heartfelt gratitude to Dr. K. Nirmala Jyothi for her valuable contribution to the

seminar. Special thanks to the faculty members and students for their active participation and support.

Department of Chemistry

Report on Workshop: Water Quality Analysis

Event Details:

- **Title:** Water Quality Analysis Workshop
 - **Date:** 12th July 2022
 - **Time:** 11:00 AM
 - **Venue:** Andhra Christian College, Guntur
 - **Department:** Chemistry
 - **Resource Person:** Dr. Uma Maheswara Rao, Head, Department of Chemistry, Hindu College, Guntur
 - **Participants:** Faculty of the Department of Chemistry and B.Sc. students
-

Objectives of the Workshop:

1. **Educational Enhancement:** To provide students with a practical understanding of water quality analysis and its significance in environmental chemistry.
 2. **Skill Development:** To equip students with hands-on experience in using various analytical techniques and instruments for assessing water quality.
 3. **Awareness:** To raise awareness about the importance of water quality monitoring and its impact on public health and the environment.
 4. **Research Orientation:** To inspire students to take up research projects related to water quality and environmental protection.
-

Workshop Proceedings:

The workshop commenced with a welcome address by the Head of the Department of Chemistry, Andhra Christian College, emphasizing the importance of water quality analysis in today's context.

Introduction of the resource person, Dr. Uma Maheswara Rao, highlighting his expertise and contributions to the field of Chemistry.

Lecture by Dr. Uma Maheswara Rao:

Dr. Uma Maheswara Rao delivered an informative lecture on the principles and methods of water quality analysis.

He discussed various parameters of water quality, including pH, dissolved oxygen, turbidity, hardness, and the presence of contaminants such as heavy metals and microbial pathogens.

Demonstration:

Dr. Uma Maheswara Rao demonstrated the use of analytical instruments such as spectrophotometers, pH meters, and titration setups.

He showcased the procedures for collecting water samples, preparing them for analysis, and interpreting the results.

Practical Session:

Students participated in hands-on activities, performing water quality tests under the guidance of faculty members and Dr. Uma Maheswara Rao.

They learned to handle and calibrate equipment, conduct tests accurately, and record data systematically.

Interactive Q&A:

An interactive session followed, where students had the opportunity to ask questions and discuss their observations and challenges with Dr. Rao and the faculty.

Outcomes of the Workshop:

1. **Enhanced Knowledge:** Students gained a comprehensive understanding of water quality parameters and the methods used to analyze them.
 2. **Practical Skills:** Participants developed practical skills in using analytical instruments and conducting water quality tests.
 3. **Awareness:** The workshop heightened awareness about the critical role of water quality in maintaining public health and ecological balance.
 4. **Research Initiatives:** Several students expressed interest in pursuing research projects related to water quality, indicating the workshop's success in motivating them toward scientific inquiry.
 5. **Networking:** The event facilitated networking among students, faculty, and the resource person, fostering potential collaborations for future projects.
-

Conclusion:

The workshop on Water Quality Analysis was a significant educational event that successfully met its objectives. The participation and enthusiasm of the students and the insightful guidance provided by Dr. Uma Maheswara Rao made the workshop an enriching experience. The Department of Chemistry at Andhra Christian College looks forward to organizing more such workshops to continue enhancing the educational journey of its students.

Department of Chemistry

Seminar on Polymers

Name of the Activity: Seminar on Polymers in the department of Chemistry.

Date: 05-04-2022

Objectives:

1. To develop intellectual breadth and depth in polymer science and engineering and to have specialized training for career in teaching, research and industry.
2. To educate the graduate students with a strong background of polymer science and technology so that they will fulfil the needs and expectations of scientific and industrial communities.
3. To acquire up-to-date knowledge and skills for professional success with ethical standards.

Report:

Department of Chemistry conducted a Seminar on Polymers for which the Resource Person was Mrs. Y. Chandra Rekha, HOD of Chemistry, B.H.H. Degree College for women, Guntur. She delivered an extensive talk on Polymers and their applications in various fields. 25 students attended the seminar and interacted with the resource person with curiosity and enthusiasm. This programme was very informative and beneficial to the students.

Key Points:

Polymer is a class of synthetic and natural materials collected of very huge molecules, called macromolecules, that are multiples of simpler chemical units known as monomers. Polymers make up numerous things in living organisms, such as, for instance, nucleic acids, proteins, and cellulose.

Polymer science and engineering is a multifaceted field that plays a crucial role in various industries, such as packaging, automotive, textiles and biomedicine. It involves studying and manipulating polymers, which are long chain molecules made up of repeating units.

The recent developments of polymer technology have revolutionized the field of material science increasing the use of polymer-based substances from building materials to packing materials, electrical engineering, communications, automobiles, aircrafts etc.

Polymers help us to save energy with lighter vehicles and insulated buildings, package consumable goods; reduce land use and fertilizers and save lives by way of countless medical applications.

They are also much lighter than metal parts, making transportation easier and less expensive. Plastic parts also cause less friction and wear on equipment and machinery than metal does, lowering the risk of damage and the need for constant maintenance or replacement.

Product made from polymers are all around us: clothing made from synthetic fibers, polyethylene cups, fiberglass, nylon bearings, plastic bags, polymer-based paints, epoxy glue, polyurethane foam cushion, silicone heart valves, and Teflon-coated cookware. The list is almost endless.

Furthermore, they create the basis of these minerals as feldspar, diamond, and quartz and man-made materials like glass, concrete, plastics, paper, and rubber.

Uses of polymers

Polymers are utilized in nearly every extent of modern living. Soda and water bottles, grocery bags, phones, textile fibres, food packaging, computers, auto parts, and toys all contain polymers.

Even more-urban technology utilizes polymers. For instance, the membranes for water purification, carriers utilized in controlled drug release and biopolymers for tissue manufacturing all utilize polymers.

Polymers for automotive applications

Automotive polymers are utilized in an extensive variety of automotive parts. High-performance thermoplastic elastomers and also liquid rubbers are found in tires, exterior and interior parts, and engine mechanisms. Their dependable functionality, durability, lightweight, and wear resistance lessen releases and supports in making driving safer and more convenient

Hence, the growing demand for the polymer in several end-use industries, including electronics, packaging, and automotive plastics are those polymers that are extensively utilized in several industries, credited to their qualities, like strength, lightweight, flexibility, transparency, and low cost, such major factors are propelling Polymer industry.

Acknowledgements:

The department is thankful to the Principal, Dr. K. Moses for giving permission and support for conducting the programme. The department is also thankful to the Resource person, Mrs. Y. Chandra Rekha for successful conduction of the seminar. Special appreciation to all the faculty of the department and students participated.

Department Of Chemistry Workshop On Soil Analysis

Name of the activity: Workshop on soil analysis in the department of Chemistry.

Date: 5-12-2018

Objectives:

1. To provide useful information about the chemical and physical conditions of the soil in a specific location.
2. To provide an index of nutrient availability or supply in the given soil and identify nutrient deficient soils.
3. To predict the probability of obtaining a profitable response to fertilizer application.

Report:

The Department of Chemistry organized a workshop on "Soil Analysis" on 5th December 2018, in the department. Mrs. B. Joyce, HOD of Chemistry, St. Ann's college for Women, Gorantla, was invited as Resource Person. Dr. N. J. Solomon Babu, HOD of Chemistry, introduced the resource person and explained the significance of Soil Analysis. Mrs. B. Joyce gave an elaborate talk on soil analysis and its importance and demonstrated the process of soil analysis. The students actively participated the programme and at the end, the students interacted with the resource person with curiosity.

Acknowledgements: The department of Chemistry is very much thankful to the principal, Dr. G. Deva Kumar, for giving permission to conduct the workshop. The department is also thankful to the resource person for successful conduction of the programme.

Department of Zoology

Seminar Report

Topic: General Characteristics of Chordates and Classification of Chordates

Date: 09-02-2022

Time: 11:00 a.m.

Venue: Department of Zoology, Andhra Christian College, Guntur

Audience: B. Sc. (CBZ) Students

Resource Person: Mrs. P. Nancy Sobha Rani, Head, Department of Zoology, Hindu College, Guntur

Faculty of the Department Present:

- Mr. B. Prabhakar, Head
- Dr. B. D. J. Satyalatha, Senior Lecturer
- Mr. B. Charles Wesley, Lecturer
- Mrs. T. Kanakavalli, Lecturer
- Mrs. P. Mary Josfin, Lecturer

Objectives of the Seminar

1. **Understanding Chordates:** To provide a comprehensive understanding of the general characteristics that define chordates.
2. **Classification Insight:** To explain the classification of chordates, emphasizing the distinguishing features of each class.
3. **Evolutionary Perspective:** To discuss the evolutionary significance of chordates and their phylogenetic relationships.
4. **Practical Knowledge:** To enhance students' practical knowledge about chordates through examples and illustrations.
5. **Academic Development:** To foster academic growth and curiosity among students regarding the diversity and complexity of chordates.

Detailed Report

The seminar on "General Characteristics of Chordates and Classification of Chordates" commenced at 11:00 a.m. in the Department of Zoology, Andhra Christian College, Guntur. The event was organized for the B. Sc. (CBZ) students to enhance their understanding of the foundational concepts of chordates.

Welcome and Introduction: Mr. B. Prabhakar, the Head of the Department of Zoology, welcomed the students and faculty members. He introduced the resource person, Mrs. P. Nancy Sobha Rani, highlighting her expertise and contributions to the field of zoology.

Session by Mrs. P. Nancy Sobha Rani: Mrs. P. Nancy Sobha Rani began the session by defining chordates and explaining their significance in the animal kingdom. She discussed the following key points:

1. **General Characteristics of Chordates:**

- Presence of a notochord
- Dorsal hollow nerve cord
- Pharyngeal slits
- Post-anal tail
- Endostyle or thyroid gland

2. **Classification of Chordates:**

- **Subphylum Urochordata (Tunicates):** Characteristics and examples
- **Subphylum Cephalochordata (Lancelets):** Characteristics and examples
- **Subphylum Vertebrata (Craniata):**
 - **Class Agnatha (Jawless Fishes):** Hagfishes and lampreys
 - **Class Chondrichthyes (Cartilaginous Fishes):** Sharks, rays, and skates
 - **Class Osteichthyes (Bony Fishes):** Salmon, trout, and tuna
 - **Class Amphibia:** Frogs, toads, and salamanders
 - **Class Reptilia:** Snakes, lizards, and turtles
 - **Class Aves (Birds):** Sparrows, eagles, and penguins
 - **Class Mammalia:** Humans, dogs, and whales

She used visual aids, including diagrams and slides, to illustrate the anatomy and characteristics of various chordate groups. The presentation was interactive, with students asking questions and engaging in discussions.

Interactive Session: The seminar included an interactive session where students posed questions about the evolutionary significance of chordates, the adaptations seen in different classes, and the ecological roles of chordates. Mrs. P. Nancy Sobha Rani provided detailed answers, drawing on her extensive knowledge.

Conclusion: The seminar concluded with a vote of thanks by Dr. B. D. J. Satyalatha, Senior Lecturer. She expressed gratitude to the resource person for her enlightening presentation and to the students for their active participation.

Outcomes of the Seminar

1. **Enhanced Understanding:** Students gained a thorough understanding of the general characteristics and classification of chordates.
 2. **Academic Enrichment:** The seminar enriched the students' academic knowledge and sparked interest in further studies on chordates.
 3. **Interactive Learning:** The interactive nature of the seminar encouraged students to think critically and ask insightful questions.
 4. **Visual Learning:** The use of visual aids helped students grasp complex concepts more easily.
 5. **Evolutionary Insights:** Students appreciated the evolutionary perspective of chordates and their significance in the animal kingdom.
-

The seminar was a resounding success, achieving its objectives and providing valuable knowledge to the students. The Department of Zoology looks forward to organizing more such informative sessions in the future.

Mr. B. Prabhakar, Head of the Department introducing Mrs. P. Nancy Sobha Rani, Resource Person to the seminar

Department of Economics

Seminar Report on "Population"

Event Overview:

- **Seminar Topic:** Population
- **Occasion:** World Population Day
- **Date:** 11th July 2022
- **Time:** 11:30 a.m.
- **Venue:** Department of Economics, Government Degree College for Women, Guntur
- **Audience:** B.A. Students
- **Organized by:** Department of Economics, GDC (W), Guntur
- **Key Participants:**
 - **Dr. V. Jyothsna Kumari**, Principal and RJDCE i/c
 - **Teaching Faculty**, Department of Economics, GDC (W)
- **Resource Person:** Dr. N. Martha Mrudula, Senior Lecturer, Department of Economics, A.C. College, Guntur

Introduction:

The Department of Economics, Government Degree College for Women, Guntur, organised a seminar on "Population" in observance of World Population Day on July 11th, 2022. The event aimed to raise awareness about population issues and their impact on socio-economic development, particularly in the context of India.

Seminar Objectives:

1. **Awareness Raising:**
To educate students about the significance of World Population Day and the global concerns related to population growth.
2. **Understanding Population Dynamics:**
To provide a comprehensive understanding of population trends, including growth rates, demographic transitions, and their implications for economic development.
3. **Addressing Socio-Economic Challenges:**
To explore the challenges posed by overpopulation, such as resource scarcity, environmental degradation, and pressure on public services.
4. **Promoting Informed Discussions:**
To engage students in meaningful discussions about the role of population policies and the importance of education and healthcare in managing population growth.

Proceedings of the Seminar:

- **Welcome Address:**
The seminar commenced with a warm welcome by Dr. V. Jyothsna Kumari, Principal of GDC (W) and RJDCE i/c. She highlighted the importance of understanding population

issues in the broader context of sustainable development and urged students to actively participate in the discussions.

- **Introduction of the Resource Person:**

A brief introduction of the resource person, Dr. N. Martha Mrudula, was given by a faculty member from the Economics Department. Dr. Mrudula's expertise in economics and her extensive research on population studies were acknowledged, setting the stage for an insightful session.

- **Keynote Presentation by Dr. N. Martha Mrudula:**

Dr. Mrudula delivered an engaging presentation on the topic of population. She began by discussing global population trends, highlighting key statistics and demographic patterns. The presentation then focused on India's population scenario, examining factors contributing to high population growth, such as fertility rates, mortality rates, and migration patterns. Dr. Mrudula also discussed the concept of the demographic dividend and its potential to drive economic growth, provided the necessary investments are made in education and healthcare.

A significant portion of the presentation was dedicated to the socio-economic challenges posed by overpopulation, including unemployment, urban congestion, and environmental stress. Dr. Mrudula emphasized the need for effective population policies, citing examples of successful family planning initiatives and the role of women's education in controlling population growth.

- **Interactive Discussion:**

The presentation was followed by an interactive session where students and faculty members had the opportunity to ask questions and share their perspectives. The discussion touched on various topics, including the impact of population growth on resource allocation, the role of government policies in managing population dynamics, and the importance of public awareness in promoting sustainable population practices. Dr. Mrudula addressed these queries with detailed explanations, encouraging students to think critically about these issues.

- **Closing Remarks:**

The seminar concluded with closing remarks from a faculty member of the Economics Department, who thanked Dr. Mrudula for her informative presentation and commended the students for their active participation. The importance of continuing education and research on population issues was underscored as a key takeaway from the seminar.

Outcomes of the Seminar:

1. **Enhanced Awareness:**

Students gained a deeper understanding of population issues, particularly in the context of India, and the global challenges associated with population growth.

2. **Critical Thinking:**

The seminar fostered critical thinking among students, enabling them to analyze the complex relationship between population growth and economic development.

3. **Engaged Participation:**

The interactive session facilitated active engagement, allowing students to express their views and learn from the insights shared by the resource person.

4. **Broadened Perspectives:**

The seminar broadened the students' perspectives on the importance of population policies and the need for informed decision-making in addressing population-related challenges.

Department of Urdu

Seminar Report

Topic: "Shahansha E Ghazal - Meer Taqi Meer"

Date: 15th September 2021

Time: 11:30 a.m.

Venue: Room No. 3

Organized by: Department of Urdu

Resource Person: Mr. Syed Khadar Basha, M.A., B.Ed., (Ph.D.), Lecturer in Urdu, Government Degree College for Women (A), Guntur

Head of the Department: Mr. Sk. Abdullah

Faculty of Other Departments Present:

- Mr. J. Paul Sunil, Head, Dept. of Politics
- Mr. J. Raj Kumar, Head, Dept. of Hindi
- Mr. J. Samuel John, Lecturer in Politics
- Mr. M. Jaya Prasad, Librarian

Attendees: Undergraduate students of Andhra Christian College

Introduction

The Department of Urdu, Andhra Christian College organized a seminar titled "Shahansha E Ghazal - Meer Taqi Meer" on 15th September 2021. The event was part of the department's initiative to deepen students' understanding of classical Urdu poetry, with a particular focus on the ghazals of Meer Taqi Meer, a towering figure in Urdu literature. The seminar was attended by undergraduate students along with faculty members from other departments, reflecting the interdisciplinary interest in Meer's poetic contributions.

Resource Person

The seminar was graced by the esteemed presence of Mr. Syed Khadar Basha, an accomplished scholar and lecturer in Urdu at the Government Degree College for Women (A), Guntur. With his extensive knowledge and passion for Urdu literature, Mr. Basha was an ideal choice to speak on the life and works of Meer Taqi Meer.

Seminar Proceedings

The session commenced with a brief introduction by Mr. Sk. Abdullah, Head of the Department of Urdu, who highlighted the significance of Meer Taqi Meer's poetry in the broader context of Urdu literature. He emphasized that understanding Meer's work is crucial for any serious student of Urdu due to the depth and emotion embodied in his ghazals.

Mr. Syed Khadar Basha then took the floor, delivering an insightful lecture on the theme of the seminar. He began by providing a biographical sketch of Meer Taqi Meer, describing his early life, his challenges, and how these experiences shaped his poetic voice. Meer, often regarded as the "Shahansha E Ghazal" (Emperor of Ghazals), was known for his profound expression of human emotions, especially sorrow and longing, which resonated deeply with the audience.

Focus on Meer Taqi Meer's Ghazals

The core of Mr. Basha's lecture revolved around the thematic richness of Meer's ghazals. He explained how Meer's poetry reflects the cultural and socio-political milieu of 18th-century India. His ghazals, characterized by their simplicity, depth, and musicality, often explore themes of love, loss, and the transience of life. Mr. Basha recited several of Meer's famous couplets, illustrating how the poet masterfully uses imagery and metaphors to convey complex emotions in a few words.

One of the highlights of the seminar was Mr. Basha's interpretation of Meer's use of "Ishq" (love) as a metaphor for both divine and earthly love. He emphasized that Meer's exploration of love goes beyond the personal to the universal, making his work timeless. The recitation of selected ghazals left a lasting impression on the attendees, many of whom expressed a newfound appreciation for Urdu poetry.

Interaction and Discussion

Following the lecture, the floor was opened for an interactive session where students and faculty engaged with Mr. Basha in a lively discussion. Questions ranged from the technical aspects of ghazal writing to the relevance of Meer's poetry in contemporary times. Mr. Basha's responses were both informative and thought-provoking, encouraging students to delve deeper into Urdu literature.

Conclusion

The seminar concluded with a vote of thanks by Mr. J. Paul Sunil, Head of the Department of Politics, who commended the Department of Urdu for organizing such an enriching event. He acknowledged the importance of understanding classical literature in fostering cultural awareness and intellectual growth among students.

The seminar on "Shahansha E Gazal - Meer Taqi Meer" was a resounding success, leaving students and faculty alike with a deeper appreciation of Meer's contribution to Urdu literature. The event not only highlighted the timeless relevance of Meer's ghazals but also underscored the importance of literary studies in a well-rounded education.

Department of Zoology

Seminar Report

Topic: Immune System

Date: 07-02-2023

Time: 11:00 a.m.

Venue: Department of Zoology, Andhra Christian College, Guntur

Participants: B. Sc. (CBZ) Students

Resource Person: Prof. K. Suneetha, Department of Zoology, Acharya Nagarjuna University, Guntur

Faculty of the Department Present:

- Mr. B. Prabhakar, Head
- Dr. B. D. J. Satyalatha, Senior Lecturer
- Mr. B. Charles Wesley, Lecturer
- Mrs. T. Kanakavalli, Lecturer
- Mrs. P. Mary Josfin, Lecturer

Objectives of the Seminar

1. **Understanding the Immune System:** To provide students with a fundamental understanding of the immune system and its components.
2. **Mechanisms of Immunity:** To explain the various mechanisms of immunity, including innate and adaptive immunity.
3. **Immune Response:** To discuss the body's response to pathogens and the role of different immune cells.
4. **Clinical Relevance:** To introduce the clinical aspects of immunology, such as vaccines, allergies, and autoimmune diseases.
5. **Academic Development:** To enhance students' knowledge of immunology, encouraging further study and research in the field.

Detailed Report

The seminar on the "Immune System" was conducted on 07-02-2023 at 11:00 a.m. in the Department of Zoology, Andhra Christian College, Guntur. It was organized for B. Sc. (CBZ) students to deepen their understanding of the immune system's structure, function, and significance.

Welcome and Introduction: Mr. B. Prabhakar, Head of the Department of Zoology, welcomed the gathering and introduced the resource person, Prof. K. Suneetha. He highlighted Prof. Suneetha's extensive experience and contributions to the field of zoology, particularly in immunology.

Session by Prof. K. Suneetha: Prof. K. Suneetha began her presentation by outlining the basic components of the immune system. She covered the following key topics:

1. Components of the Immune System:

Innate Immunity: The first line of defense, including physical barriers, phagocytic cells, and the complement system.

Adaptive Immunity: The specific immune response involving T cells, B cells, and antibodies.

2. **Mechanisms of Immune Response:**

Humoral Immunity: The role of B cells and antibodies in neutralizing pathogens.

Cell-Mediated Immunity: The function of T cells in targeting infected or abnormal cells.

Cytokines and Chemokines: Their role in regulating immune responses.

3. **Immunological Memory:**

The concept of memory cells and how they provide long-lasting protection against previously encountered pathogens.

4. **Clinical Relevance:**

Vaccination: How vaccines work to stimulate an immune response and provide immunity.

Allergies and Hypersensitivity: The immune system's overreaction to harmless substances.

Autoimmune Diseases: Conditions where the immune system mistakenly attacks the body's own tissues.

Throughout her presentation, Prof. Suneetha used diagrams, flowcharts, and case studies to illustrate the complex processes of the immune system. Her engaging style and clear explanations made the subject accessible to the students.

Interactive Session: The seminar included an interactive Q&A session where students asked questions related to immune system disorders, the development of vaccines, and the impact of lifestyle on immunity. Prof. Suneetha provided detailed answers, encouraging students to explore these topics further.

Conclusion: The seminar concluded with a vote of thanks by Mr. B. Charlew Wesley, Lecturer. He expressed his gratitude to Prof. Suneetha for her insightful presentation and to the students for their active participation.

Outcomes of the Seminar

1. **Enhanced Knowledge:** Students gained a thorough understanding of the immune system, its components, and its functions.
2. **Clinical Awareness:** The seminar provided students with insights into the clinical relevance of immunology, including the importance of vaccines and the nature of autoimmune diseases.
3. **Critical Thinking:** The interactive session fostered critical thinking, with students engaging deeply with the material.
4. **Academic Growth:** The seminar stimulated interest in immunology, encouraging students to consider further studies and research in this vital area of biology.
5. **Practical Understanding:** The use of case studies and real-world examples helped students connect theoretical knowledge with practical applications.

The seminar was a great success, fulfilling its objectives and providing valuable insights to the students. The Department of Zoology looks forward to hosting more such educational events in the future.

Prof. K. Suneetha delivering her lecture

Seminar Report on "Andhra Kavulu - Parichayam"

Date: 29th August 2022

Time: 11:00 a.m.

Venue: Sri. J. D. Seelam Seminar Hall, Andhra Christian College, Guntur

Organized by: Department of Telugu, Andhra Christian College, Guntur

Principal: Dr. K. Moses

Head of the Department: Dr. K. Joseph

Faculty Members: Mr. T. Syam Prasad, Mr. V. Venkata Ratnam, Mrs. I. Priscilla

Resource Persons: 1) Dr. V. Sridevi, Principal, Government Degree College, Chebrole
2) Dr. D. Dhatri Kumari, Lecturer in Telugu, Government Degree College for Women (A), Guntur

Introduction

The Department of Telugu, Andhra Christian College, Guntur, celebrated Telugu Bhasha Dinotsavam on 29th August 2022 with a seminar titled "Andhra Kavulu - Parichayam." The event aimed to highlight the contributions and literary works of eminent poets from Andhra Pradesh. The seminar provided an opportunity for students and faculty members to delve into the rich tradition of Telugu poetry and its impact on literature and culture.

Event Proceedings

The seminar began with a formal inauguration by Dr. K. Moses, Principal of the college. He welcomed the gathering and emphasized the importance of Telugu Bhasha Dinotsavam in celebrating the beauty and heritage of the Telugu language. Dr. K. Joseph, Head, Department of Telugu highlighted the significance of the seminar's theme, "Andhra Kavulu - Parichayam," as a means to acquaint the audience with the lives and works of distinguished poets from Andhra Pradesh.

Mr. T. Syam Prasad, Mr. V. Venkata Ratnam, and Mrs. I. Priscilla, faculty members of the department, were instrumental in organizing the event and ensuring its smooth execution.

Keynote Address

The keynote address was delivered by the esteemed resource person, Dr. V. Sridevi, Principal, Government Degree College, Chebrole. Before her elevation as Principal, she was a renowned Lecturer in Telugu at a Government Degree College, and an authority on Telugu literature.

Dr. D. Dhatri Kumari provided an insightful overview of the contributions of various Andhra poets, spanning different eras. She discussed the evolution of Telugu poetry, starting from the early classical poets like Nannaya, Tikkana, and Yerrapragada, known as the "Kavi Trayam" (Trinity of Poets), to the modern poets who have enriched the language with their innovative expressions.

Dr. Dhatri Kumari also emphasized the role of poets in reflecting the socio-political and cultural landscape of their times. She highlighted the significance of their works in preserving the cultural heritage and instilling a sense of pride in the Telugu-speaking community.

Interactive Session

Following the keynote address, an interactive session was held, allowing students and faculty members to engage with Dr. V. Sridevi and Dr. Dhatri Kumari. Participants raised questions about the themes, styles, and influences of various poets. The resource person provided detailed responses, encouraging a deeper understanding of the nuances of Telugu poetry.

Conclusion

The seminar concluded with a vote of thanks delivered by Mr. V. Venkata Ratnam. He expressed gratitude to Dr. V. Sridevi and Dr. Dhatri Kumari for their enlightening address and thanked the faculty members and students for their active participation. He also acknowledged the efforts of the organizing committee in making the event a success.

The seminar on "Andhra Kavulu - Parichayam" was a memorable occasion, fostering a greater appreciation for the Telugu language and its literary treasures. It provided a platform for students to learn about the rich legacy of Andhra poets and inspired them to explore the depths of Telugu literature.

1. **Historical Overview:**
Early Telugu literature and its evolution.
Influence of classical poets like Nannayya, Tikkana, and Yerrapragada.
2. **Medieval Period:**
Contributions of poets such as Srinatha and Potana.
Influence of Bhakti movement on Telugu literature.
3. **Modern Telugu Literature:**
Pioneers like Gurajada Apparao, Sri Sri, and Viswanatha Satyanarayana.
Impact of social, cultural, and political changes on literary works.
4. **Contemporary Writers:**
Discussion on contemporary Telugu writers and their significant works.
The role of modern literature in addressing current social issues.
5. **Influence of Telugu Literature:**
The role of Telugu literature in shaping the cultural and social fabric of Andhra Pradesh.
Contribution to Indian literature and influence on other regional literatures.

Interactive Session:

After the lecture, an interactive session was held where students actively participated and posed questions to Dr. Sudheer. The discussion touched on various aspects of Telugu literature, including its relevance in the modern era and the preservation of literary heritage.

Conclusion:

Mr. T. Syam Prasad delivered the vote of thanks, expressing gratitude to Dr. J. V. Sudheer for his enlightening talk and to all the faculty and students for their participation. The seminar concluded with a positive note, encouraging students to delve deeper into the study of Telugu literature.

Outcome:

The seminar was highly informative and appreciated by all attendees. It provided students with a comprehensive understanding of the rich literary tradition of Telugu and inspired them to explore further.

Guest Lecture on “Communication through Pronunciation”

by Dr. A. Bala Sowri 21.11.22

AS part of M O U with Hindu College

Communication is the Pivot for career and pronunciation is the pivot for communication. Perfect pronunciation helps the student to communicate perfectly. This is drawn very enthusiastically by Dr. A. Bala Sowri, Lecturer, Department of English, Hindu College, Guntur in his talk on “Communication through Pronunciation” on 21.11.22, a student-oriented talk appreciated by the lay language people. This is a Guest Lecture organised by the Department of English for the benefit of the degree students for which more than 50 students attended.

Andhra Christian College::Guntur

Department of Mathematics

Guest Lecture Report

Topic: Introduction to Sequences

Organized by: Department of Mathematics, A. C. College, Guntur

Date: 04-08-2021

Time: 3:00 p.m.

Resource Person: Mr. R. Swamy, Lecturer in Mathematics, T. J. P. S. College, Guntur

On the 4th of August 2021, the Department of Mathematics, A. C. College, Guntur, organized a guest lecture on the topic "Introduction to Sequences." The event took place at 3:00 p.m. in the Mathematics Department.

Resource Person

The guest speaker for the lecture was Mr. R. Swamy, a distinguished Lecturer in Mathematics from T. J. P. S. College, Guntur. Mr. Swamy is renowned for his expertise in mathematical concepts and his ability to simplify complex topics for better understanding.

Lecture Content

Mr. R. Swamy began the lecture with an introduction to sequences, emphasizing their significance in Mathematics and their applications in various fields. The following key points were covered during the session:

1. **Definition and Types of Sequences:** An introduction to sequences, including arithmetic sequences, geometric sequences, and harmonic sequences. Mr. Swamy provided clear definitions and illustrated each type with examples.

2. **General Form of Sequences:** The lecture included a detailed explanation of the general form of sequences and how to derive the n th term of a sequence. This section was particularly useful for students to understand the foundational concepts.
3. **Convergence and Divergence:** Mr. Swamy elaborated on the concepts of convergent and divergent sequences, explaining the criteria for convergence and providing examples to highlight the differences between the two.
4. **Applications of Sequences:** The practical applications of sequences in various fields such as Physics, Computer Science, and Economics were discussed. This section helped the audience appreciate the relevance of sequences in real-world scenarios.
5. **Problem-Solving Session:** Towards the end of the lecture, Mr. Swamy engaged the audience with a problem-solving session. He presented several problems related to sequences and guided the students through the process of solving them.

Interaction and Feedback

The lecture was highly interactive, with students actively participating and asking questions. Mr. Swamy's approachable demeanour and clear explanations were well-received by the students. The faculty members also contributed to the discussion, adding depth to the session with their insights.

Conclusion

Dr. B. Vijaya Kumar concluded the session by thanking Mr. R. Swamy for his enlightening lecture. The students and faculty members expressed their gratitude for the valuable knowledge shared during the session.

Overall, the guest lecture on "Introduction to Sequences" was a resounding success, leaving the students with a deeper understanding of the topic and its applications. The Department of Mathematics at A. C. College, Guntur, looks forward to organizing more such insightful sessions in the future.

Seminar Report on "Group Theory: Kernel of a Homomorphism, Fundamental Theorem of Homomorphisms and its Applications"

Introduction

The Department of Mathematics, Andhra Christian College, Guntur, organized a seminar on "Group Theory: Kernel of a Homomorphism, Fundamental Theorem of Homomorphisms and its Applications" on 22-08-2022. The seminar was graced by the presence of Mr. S. M. Subhani, Head, Department of Mathematics, St. Ann's Degree College for Women, Gorantla, Guntur, who served as the resource person.

Objectives of the Seminar

The seminar aimed to provide an in-depth understanding of the concepts of group theory, specifically focusing on:

1. The kernel of a homomorphism.
2. The fundamental theorem of homomorphisms.
3. Applications of these concepts in various mathematical and real-world contexts.

Seminar Proceedings

Opening Remarks

The seminar commenced with an introductory speech by the Head of the Department Dr. B. Vijaya Kumar. The speaker welcomed Mr. S. M. Subhani and highlighted his significant contributions to the field of Mathematics and his extensive experience in teaching.

Mr. S. M. Subhani began his presentation by defining a homomorphism between two groups, emphasizing the structure-preserving nature of these functions. He then introduced the concept of the kernel of a homomorphism, which is the set of elements in the domain that map to the identity element in the codomain.

Key Points Covered:

- Definition of a homomorphism.
- Definition and properties of the kernel of a homomorphism.
- Examples illustrating the calculation of kernels.
- The significance of the kernel in understanding the structure of groups.

After that he delved into the fundamental theorem of homomorphisms, also known as the first isomorphism theorem. He explained how this theorem provides a powerful tool for understanding the relationship between different groups.

Key Points Covered:

- Statement and proof of the fundamental theorem of homomorphisms.
- Examples demonstrating the application of the theorem.
- The role of normal subgroups and quotient groups in the theorem.
- How the theorem aids in the classification of groups.

After that he focused on the applications of the kernel of a homomorphism and the fundamental theorem of homomorphisms. Mr. Subhani discussed how these concepts are utilized in various areas of Mathematics and other disciplines.

Key Points Covered:

- Applications in solving polynomial equations.
- Use in cryptography and coding theory.
- Applications in symmetry and physics.
- Real-world problems where group theory plays a crucial role.

Interactive Session

The seminar also included an interactive session where participants had the opportunity to ask questions and discuss their doubts with Mr. Subhani. This session was highly engaging and provided additional clarity on the topics discussed.

Conclusion

The seminar concluded with a vote of thanks by one of the participants. The participants expressed their appreciation for Mr. S. M. Subhani's insightful presentations and his ability to explain complex concepts in an accessible manner. The seminar was a great success, significantly enhancing the participants' understanding of group theory and its applications.

Acknowledgements

The Department of Mathematics, Andhra Christian College, Guntur, extends its heartfelt gratitude to Mr. S. M. Subhani for his valuable contribution to the seminar. Special thanks to the faculty members, and students for their active participation and support.

Mr. S. M. Subhani, Resource Person for the Seminar, with Participants

The seminar concluded with a vote of thanks by one of the participants

Seminar Report on "Sequences and Their Applications"

Introduction

The Department of Mathematics, Andhra Christian College, Guntur, organized a seminar on the topic "Sequences and Their Applications" on 15-11-2022. The seminar was aimed at the B.Sc. Mathematics students and featured Ms. L. Mary Anusha, Lecturer in Mathematics, St. Ann's Degree College for Women, Gorantla, Guntur, as the resource person. The seminar was coordinated by Dr. B. Vijaya Kumar, Head of the Department, along with faculty members Dr. J. M. Pradeep, Senior Lecturer, Mr. R. Vijaya Daniel, Lecturer, and Mrs. G. Santhi Priya Ranjani, Lecturer.

Objectives of the Seminar

The seminar had the following objectives:

1. To introduce students to the concept of sequences and their fundamental properties.
2. To explore various applications of sequences in different fields of Mathematics.
3. To enhance students' analytical and problem-solving skills through practical examples and applications of sequences.

Seminar Proceedings

Opening Remarks

The seminar began with an introductory speech by Dr. B. Vijaya Kumar, Head of the Department of Mathematics. He welcomed the faculty members, students, and the resource person, Ms. L. Mary Anusha. He emphasized the importance of understanding sequences and their applications in higher mathematics and various real-world contexts.

Introduction to Sequences

Ms. L. Mary Anusha commenced the session by defining sequences and explaining their significance in Mathematics. She covered the basic properties of sequences and provided several examples to illustrate these concepts.

Key Points Covered:

- Definition of sequences.
- Types of sequences.
- Convergence and divergence of sequences.
- Importance of sequences in mathematical analysis.

Applications of Sequences

Ms. Anusha focused on the applications of sequences in various fields of Mathematics and other disciplines. She highlighted how sequences are used in solving complex problems and provided practical examples.

Key Points Covered:

- Sequences in calculus and series.
- Applications in computer science, particularly in algorithms and data structures.
- Use of sequences in financial mathematics and economics.
- Sequences in natural sciences and engineering.

Problem-Solving and Examples

The final session was dedicated to problem-solving and practical examples. Ms. Anusha engaged the students with interactive problems and guided them through the solutions, demonstrating the application of sequences in various contexts.

Key Points Covered:

- Solving problems using arithmetic and geometric sequences.
- Real-world examples where sequences play a crucial role.
- Techniques for analyzing and deriving sequences.
- Encouraging students to think critically and apply sequences to new problems.

Interactive Session

An interactive session followed the main presentations, allowing students to ask questions and engage in discussions with Ms. Anusha. This session was highly engaging and provided students with deeper insights into the topic of sequences and their applications.

Conclusion

The seminar concluded with a vote of thanks by Dr. J. M. Pradeep, Senior Lecturer. The students expressed their appreciation for Ms. L. Mary Anusha's informative and well-structured presentation. The seminar successfully achieved its objectives, enhancing the students' understanding of sequences and their applications in various fields of Mathematics.

Acknowledgements

The Department of Mathematics, Andhra Christian College, Guntur, extends its heartfelt gratitude to Ms. L. Mary Anusha for her valuable contribution to the seminar. Special thanks to the faculty members, and students for their active participation and support.

Mrs. G. Santhi Priya Ranjani, Lecturer in Mathematics of our college attended a seminar as resource person at St. Ann's College, Gorantla, Guntur.

Resource Person: Mrs. G. Santhi Priya Ranjani, Lecturer in Mathematics, A. C. College, Guntur.

Date: 16-02-2023 at 3.00 p.m.

A seminar on "Solid Geometry - Distance Between Skew Lines" was conducted for the first-year B.Sc. Mathematics students of St. Ann's College, Gorantla, Guntur, on 16th February 2023 at 3:00 p.m. The resource person for the seminar was Smt. G. Santhi Priya Ranjani, a distinguished lecturer in Mathematics from A.C. College, Guntur.

The session commenced with a brief introduction to the concept of skew lines in solid geometry, which are lines that do not intersect and are not parallel. Smt. Santhi Priya Ranjani then delved into the core topic, explaining the mathematical derivation and geometric interpretation of the formula for finding the shortest distance between two skew lines. She illustrated the concept with several examples and diagrams, helping students visualize the orientation of lines in three-dimensional space.

Throughout the seminar, the students were engaged in interactive discussions, which enhanced their understanding of the topic. The session concluded with a Q&A segment, where she addressed the queries raised by the students, providing further clarity on complex aspects of the topic.

The seminar was highly informative and beneficial for the students, deepening their comprehension of solid geometry. The students expressed their gratitude to the resource person for her insightful lecture and to the college for organizing such an enriching event.

Department of Physics

Seminar Report on "Quantum Numbers"

Organized by:

Department of Physics, A. C. College, Guntur

Date:

23rd August 2018

Time:

11:00 a.m.

Venue:

Department of Physics, A. C. College, Guntur

1. Introduction

The Department of Physics at A. C. College, Guntur, organized a seminar on "Quantum Numbers" on the 23rd of August, 2018. The seminar was part of the department's ongoing efforts to deepen the understanding of fundamental physics concepts among faculty and students. Quantum numbers are a cornerstone of quantum mechanics and play a crucial role in explaining the behavior of subatomic particles.

The resource person for this seminar was Dr. G. Gowri Sankar, Head of the Department of Physics, Hindu College, Guntur, who is known for his expertise in quantum mechanics and atomic physics.

2. Objectives of the Seminar

The primary objectives of the seminar were:

1. To provide a comprehensive understanding of quantum numbers:
 - o Explain the concept of quantum numbers and their significance in quantum mechanics.
2. To explore the different types of quantum numbers:
 - o Detail the four quantum numbers (Principal, Azimuthal, Magnetic, and Spin) and their roles in determining the properties of electrons in atoms.
3. To discuss the application of quantum numbers in atomic structure:

- Illustrate how quantum numbers are used to describe electron configurations and predict the chemical behavior of elements.
- 4. **To enhance the participants' knowledge in advanced quantum physics:**
 - Introduce participants to the implications of quantum numbers in modern physics and emerging technologies.

3. Seminar Proceedings

The seminar began at 11:00 a.m. with an opening address by the Head of the Department of Physics, A. C. College. The introduction highlighted the importance of the topic and welcomed Dr. G. Gowri Sankar to the seminar.

3.1 Lecture by Dr. G. Gowri Sankar

Dr. G. Gowri Sankar delivered an in-depth lecture covering the following topics:

Fundamental Concepts of Quantum Numbers:

- Dr. Sankar began by defining quantum numbers and explaining their importance in quantum mechanics as descriptors of the quantized states of electrons in an atom.

Types of Quantum Numbers:

- **Principal Quantum Number (n):** Describes the energy level of an electron.
- **Azimuthal Quantum Number (l):** Determines the shape of the electron's orbital.
- **Magnetic Quantum Number (m_l):** Indicates the orientation of the orbital in space.
- **Spin Quantum Number (m_s):** Represents the spin of the electron, a fundamental property affecting its magnetic moment.

Pauli Exclusion Principle:

- The principle that no two electrons in an atom can have identical quantum numbers was discussed, emphasizing its role in electron configuration and atomic stability.

Applications of Quantum Numbers in Physics:

- Dr. Sankar provided examples of how quantum numbers are applied in various fields, including atomic physics, quantum chemistry, and quantum computing.

3.2 Interactive Session

An interactive session followed the lecture, during which participants asked questions and engaged in discussions about the complexities of quantum numbers. Dr. Sankar's clear explanations helped demystify challenging concepts, making the session highly productive.

4. Outcomes of the Seminar

The seminar successfully met its objectives and yielded the following outcomes:

1. **Enhanced Understanding:**
 - o Participants gained a thorough understanding of the concept of quantum numbers and their significance in quantum mechanics.
2. **Clarification of Complex Concepts:**
 - o The seminar clarified complex topics related to quantum numbers, particularly the Pauli Exclusion Principle and its implications for atomic structure.
3. **Increased Academic Interest:**
 - o The seminar stimulated interest among students and faculty members in further exploring quantum mechanics and its applications in modern physics.
4. **Practical Insights:**
 - o The application of quantum numbers in understanding atomic structure and behavior was effectively conveyed, helping participants appreciate their relevance in both theoretical and applied physics.

5. Conclusion

The seminar on "Quantum Numbers" was a resounding success, achieving its goals of educating and inspiring participants. Dr. G. Gowri Sankar's expertise and engaging presentation style contributed significantly to the seminar's impact. The Department of Physics at A. C. College, Guntur, looks forward to organizing more such events to continue fostering a deep understanding of fundamental and advanced topics in physics.

Department of Physics

Seminar Report on "Magnetism and Matter"

Organized by: Department of Physics, Andhra Christian College, Guntur

Date: 17th July 2019

Time: 11:00 AM

Venue: Department of Physics, Andhra Christian College, Guntur

Resource Person: Mr. N. Lalitha Prasad, Faculty of Physics, Hindu College, Guntur

Participants: B.Sc. students, Faculty: Dr. M. Ratna Raju (Head), Dr. P. M. Vinaya Teja (Senior Lecturer), Mr. V. Ravi Kumar (Lecturer), Mr. D. Srinivasa Rao (Lecturer)

1. Introduction

The Department of Physics, Andhra Christian College, Guntur, organized a seminar on "Magnetism and Matter" on 17th July 2019. The seminar was designed to deepen B.Sc. students' understanding of the fundamental principles of magnetism and its interaction with matter. The session was led by Mr. N. Lalitha Prasad, an experienced Faculty of Physics from Hindu College, Guntur, who provided valuable insights into the subject.

2. Objectives of the Seminar

The seminar was conducted with the following key objectives:

- **To introduce the basic concepts of magnetism:** The seminar aimed to explain the foundational principles of magnetism, including magnetic fields, magnetic forces, and magnetic moments.
- **To explore the interaction between magnetism and matter:** Participants were introduced to how different materials respond to magnetic fields, including discussions on diamagnetism, paramagnetism, and ferromagnetism.
- **To explain the properties of magnetic materials:** The seminar aimed to cover the properties and classifications of magnetic materials, focusing on their applications in technology and industry.
- **To discuss the Earth's magnetism:** The seminar sought to provide an understanding of geomagnetism, the Earth's magnetic field, and its significance in navigation and geology.
- **To encourage academic research in magnetism:** The seminar aimed to inspire students to pursue further studies and research in magnetism, emphasizing its importance in both theoretical and applied physics.

3. Summary of the Seminar

The seminar began with a welcome address by Dr. M. Ratna Raju, Head of the Department of Physics, who introduced the resource person, Mr. N. Lalitha Prasad, and highlighted the

relevance of the topic. Mr. Prasad started the session with a brief overview of the history of magnetism, tracing its discovery and the evolution of magnetic theory over the centuries.

Mr. Prasad then introduced the basic concepts of magnetism, explaining the nature of magnetic fields, the origin of magnetic forces, and how magnetic moments arise in atoms. He discussed the distinction between magnetic monopoles and dipoles, and how these concepts underpin the understanding of magnetic phenomena.

The seminar progressed into a detailed exploration of the interaction between magnetism and matter. Mr. Prasad explained the different types of magnetic materials—diamagnetic, paramagnetic, and ferromagnetic—and their distinct behaviours in the presence of magnetic fields. He also provided practical examples of each type of material, highlighting their everyday applications, such as in magnetic storage devices, transformers, and electronic components.

A significant part of the seminar was dedicated to the discussion of geomagnetism. Mr. Prasad explained the Earth's magnetic field, its causes, and its impact on navigation systems, such as compasses. He also touched upon the concept of magnetic declination and its importance in accurate navigation.

The session concluded with a discussion on the latest advancements in magnetism research, including the development of new magnetic materials and their potential applications in cutting-edge technologies like spintronics and quantum computing. Throughout the seminar, students and faculty were actively engaged in discussions, asking questions, and sharing insights.

4. Outcomes of the Seminar

The seminar successfully achieved its objectives, resulting in the following outcomes:

- **Improved understanding of magnetism:** Participants gained a comprehensive understanding of the fundamental principles of magnetism and how it interacts with different types of matter.
- **Insight into magnetic materials:** Students learned about the properties and applications of various magnetic materials, enhancing their knowledge of material science and its technological implications.
- **Awareness of geomagnetism:** The discussion on the Earth's magnetic field provided students with a deeper appreciation of the role of magnetism in navigation and geological processes.
- **Increased interest in research:** The seminar sparked curiosity among students, encouraging them to explore research opportunities in magnetism and related fields, such as material science and applied physics.
- **Enhanced academic interaction:** The seminar facilitated closer interaction between students and faculty members, fostering a collaborative learning environment that supports further inquiry and discussion.

5. Conclusion

The seminar on "Magnetism and Matter" organized by the Department of Physics, Andhra Christian College, Guntur, was a highly informative and successful event. Mr. N. Lalitha

Prasad delivered a detailed and engaging presentation that effectively communicated both the theoretical and practical aspects of magnetism. The seminar met its objectives, providing participants with valuable knowledge and insights, and inspiring further academic exploration in the field of magnetism.

Department of Physics

Seminar Report on "Superconductivity"

Organized by: Department of Physics, Andhra Christian College, Guntur

Date: 14 – 10 – 2019

Time: 11:00 AM

Venue: Room No. 83, Department of Physics

Resource Person: Mr. S. Ravi Kumar, Lecturer in Physics, Hindu College, Guntur

Participants: Teaching Faculty of the Department of Physics and B.Sc. students

1. Introduction

The Department of Physics, Andhra Christian College, Guntur, organized a seminar on "Superconductivity" on 14th October 2019. The seminar was aimed at providing B.Sc. students with a deeper understanding of the fundamental principles of superconductivity, its applications, and recent advancements in the field. The session was conducted by Mr. S. Ravi Kumar, a distinguished lecturer in Physics from Hindu College, Guntur, who brought his expertise and experience to the topic.

2. Objectives of the Seminar

The primary objectives of the seminar were:

- **To introduce the concept of superconductivity:** The seminar aimed to explain the fundamental principles of superconductivity, including the phenomenon of zero electrical resistance and the expulsion of magnetic fields in certain materials when cooled below a critical temperature.
- **To explore the history and development of superconductivity:** The seminar provided an overview of the discovery of superconductivity by Heike Kamerlingh Onnes in 1911 and the subsequent developments in the field.
- **To discuss the types of superconductors:** Participants were introduced to different types of superconductors, including Type I and Type II superconductors, and their respective properties.
- **To highlight the practical applications of superconductivity:** The seminar aimed to show the practical applications of superconductivity in various fields, such as in the development of MRI machines, maglev trains, and particle accelerators.
- **To encourage academic inquiry and research:** The seminar aimed to inspire students and faculty to delve deeper into the study of superconductivity and explore potential research opportunities in the field.

3. Summary of the Seminar

The seminar began with an introduction by the Head of the Department of Physics, who welcomed the resource person, Mr. S. Ravi Kumar, and the participants. Mr. Ravi Kumar

then commenced the session with a detailed explanation of the basic principles of superconductivity, including the concept of critical temperature and the Meissner effect.

He went on to discuss the historical background of superconductivity, citing key experiments and discoveries that have shaped our current understanding of the phenomenon. The seminar then moved into a more technical discussion of the different types of superconductors, focusing on their unique properties and the conditions under which they exhibit superconductivity.

Mr. Ravi Kumar also emphasized the practical applications of superconductors in modern technology, highlighting their role in advancing medical imaging, transportation, and research in fundamental physics. The session was interactive, with students and faculty members posing questions and engaging in discussions on various aspects of superconductivity.

4. Outcomes of the Seminar

The seminar successfully achieved its objectives, and the outcomes were as follows:

- **Enhanced understanding of superconductivity:** Participants gained a comprehensive understanding of the principles and applications of superconductivity, which is essential for their academic and professional growth.
- **Increased interest in advanced studies:** The seminar sparked interest among students to pursue further studies and research in the field of superconductivity and related areas.
- **Strengthened collaboration between institutions:** The event facilitated collaboration and exchange of knowledge between Andhra Christian College and Hindu College, fostering a stronger academic relationship.
- **Encouraged research initiatives:** Faculty members were motivated to explore research opportunities in superconductivity, potentially leading to new projects and collaborations.

5. Conclusion

The seminar on "Superconductivity" organized by the Department of Physics, Andhra Christian College, Guntur, was a significant academic event that provided valuable insights into a complex and fascinating area of physics. The resource person, Mr. S. Ravi Kumar, delivered an informative and engaging presentation that was well-received by both students and faculty. The seminar successfully met its objectives, leaving participants with a deeper appreciation of the subject and encouraging further academic pursuits in the field.

Department of Physics

Seminar Report on "Moving Charges and Magnetism"

Organized by: Department of Physics, Andhra Christian College, Guntur

Date: 22-12-2019

Time: 11:00 AM

Venue: Department of Physics, Andhra Christian College, Guntur

Resource Person: Dr. D. V. Raghu Ram, Lecturer in Physics, Hindu College, Guntur

Participants: B.Sc. students and faculty of the Department of Physics

1. Introduction

The Department of Physics, Andhra Christian College, Guntur, organized an insightful seminar on the topic "Moving Charges and Magnetism" on 22nd December 2019. The seminar was aimed at enhancing the understanding of B.Sc. students regarding the fundamental concepts of electromagnetism, specifically focusing on the relationship between moving charges and magnetic fields. The session was conducted by Dr. D. V. Raghu Ram, a respected Lecturer in Physics from Hindu College, Guntur, known for his expertise in the field.

2. Objectives of the Seminar

The seminar had the following key objectives:

- **To introduce the concept of moving charges and magnetism:** The seminar aimed to explain the fundamental relationship between electric currents and magnetic fields, including the Biot-Savart law and Ampere's Circuital law.
- **To explore the principles of electromagnetism:** Participants were introduced to the principles governing the interaction of moving charges with magnetic fields, including the force experienced by a charged particle in a magnetic field (Lorentz force).
- **To demonstrate the applications of magnetism in technology:** The seminar aimed to illustrate the practical applications of magnetism in various technological advancements, such as in the functioning of electric motors, generators, and transformers.
- **To encourage critical thinking and problem-solving:** The seminar aimed to develop the problem-solving skills of students by discussing real-world scenarios where the concepts of moving charges and magnetism are applied.
- **To foster academic curiosity and research interest:** The seminar sought to inspire students and faculty to delve deeper into the study of electromagnetism and its applications, encouraging future research and exploration in the field.

3. Summary of the Seminar

The seminar began with an opening address by the Head of the Department of Physics, who welcomed Dr. D. V. Raghu Ram and the participants. Dr. Raghu Ram then initiated the session by introducing the fundamental concepts of moving charges and their interaction with magnetic fields. He explained the Biot-Savart law and Ampere's Circuital law, which describe how moving charges create magnetic fields and how these fields are structured.

Dr. Raghu Ram provided a detailed explanation of the Lorentz force, illustrating how a charged particle experiences a force when it moves through a magnetic field. The seminar also covered the concept of magnetic field lines and their significance in visualizing the direction and strength of magnetic fields.

The resource person further elaborated on the practical applications of these principles, particularly in the design and operation of electric motors, generators, and transformers. These examples helped students understand the relevance of electromagnetism in everyday technology.

Throughout the seminar, students were encouraged to ask questions and engage in discussions, which fostered an interactive learning environment. Dr. Raghu Ram also presented several problem-solving scenarios, allowing students to apply the concepts they had learned to real-world situations.

4. Outcomes of the Seminar

The seminar successfully achieved its objectives, resulting in the following outcomes:

- **Enhanced understanding of electromagnetism:** Students gained a deeper understanding of the relationship between moving charges and magnetic fields, which is crucial for their academic development in physics.
- **Improved problem-solving skills:** Through interactive discussions and problem-solving exercises, students were able to apply theoretical concepts to practical situations, enhancing their analytical abilities.
- **Increased interest in advanced physics topics:** The seminar sparked curiosity among students to explore more advanced topics in electromagnetism and related fields.
- **Encouraged faculty-student interaction:** The seminar provided an opportunity for students to engage with faculty members and the resource person, fostering a collaborative academic environment.
- **Potential research initiatives:** The seminar inspired faculty and students to consider potential research projects in electromagnetism, contributing to the academic growth of the department.

5. Conclusion

The seminar on "Moving Charges and Magnetism" organized by the Department of Physics, Andhra Christian College, Guntur, was a highly educational and engaging event. Dr. D. V. Raghu Ram delivered an informative presentation that successfully conveyed complex concepts in an accessible manner. The seminar met its objectives, leaving participants with a solid understanding of the topic and a renewed interest in the study of electromagnetism.

Seminar Report on "Low Temperature Physics"

Organized by: Department of Physics, Andhra Christian College, Guntur

Date: 15th September 2022

Time: 11:00 AM

Venue: Department of Physics, Andhra Christian College, Guntur

Resource Person: Mr. P. M. Prasad, Faculty of Physics, Hindu College, Guntur

Participants: B.Sc. students, Faculty: Dr. M. Ratna Raju (Head), Dr. P. M. Vinaya Teja (Senior Lecturer), Mr. V. Ravi Kumar (Lecturer), Mr. D. Srinivasa Rao (Lecturer)

1. Introduction

The Department of Physics, Andhra Christian College, Guntur, organized a seminar on "Low Temperature Physics" on 15th September 2022. The seminar aimed to provide B.Sc. students with an understanding of the principles, phenomena, and applications associated with low-temperature physics. The session was led by Mr. P. M. Prasad, a knowledgeable Faculty of Physics from Hindu College, Guntur, who brought significant expertise to the topic.

2. Objectives of the Seminar

The seminar had the following key objectives:

- **To introduce the concepts of low-temperature physics:** The seminar aimed to explain the fundamental principles of low-temperature physics, including the behaviour of matter at temperatures close to absolute zero.
 - **To explore phenomena observed at low temperatures:** Participants were introduced to various phenomena that occur at low temperatures, such as superconductivity, superfluidity, and Bose-Einstein condensation.
 - **To discuss the techniques used to achieve low temperatures:** The seminar aimed to familiarize students with the methods and technologies used to achieve and measure low temperatures, including cryogenics and refrigeration techniques.
 - **To highlight the applications of low-temperature physics:** The seminar sought to demonstrate the practical applications of low-temperature physics in various fields, including quantum computing, magnetic resonance imaging (MRI), and space exploration.
 - **To inspire further academic research and exploration:** The seminar aimed to encourage students to pursue further studies and research in low-temperature physics, fostering a deeper interest in the subject.
-

3. Summary of the Seminar

The seminar began with an introduction by Dr. M. Ratna Raju, Head of the Department of Physics, who welcomed the resource person, Mr. P. M. Prasad, and the participants, including the faculty members Dr. P. M. Vinaya Teja, Mr. V. Ravi Kumar, and Mr. D. Srinivasa Rao. Mr. Prasad commenced the session with a comprehensive overview of low-temperature physics, starting with an explanation of what low temperatures are and the significance of absolute zero.

Mr. Prasad delved into the unique behavior of matter at extremely low temperatures, discussing phenomena such as superconductivity, where materials exhibit zero electrical resistance, and superfluidity, where liquids flow without viscosity. He also touched on Bose-Einstein condensation, a state of matter that occurs at temperatures close to absolute zero, where particles occupy the same quantum state.

The seminar also covered the technological aspects of low-temperature physics, with Mr. Prasad explaining the various methods used to achieve low temperatures, including the use of liquid helium and advanced cryogenic systems. He provided insights into the challenges and innovations in the field of cryogenics and how these technologies are critical for scientific research and industrial applications.

One of the key highlights of the seminar was the discussion on the practical applications of low-temperature physics. Mr. Prasad illustrated how this field contributes to advancements in quantum computing, where qubits operate at near-zero temperatures to minimize decoherence. He also discussed the role of low-temperature physics in medical technologies, such as MRI, and its importance in space missions, where spacecraft components must operate in extremely cold environments.

Throughout the seminar, students and faculty engaged actively in discussions, with Mr. Prasad addressing questions and providing clarifications on complex topics. The interactive nature of the seminar helped to create a dynamic learning environment.

4. Outcomes of the Seminar

The seminar successfully met its objectives, resulting in the following outcomes:

- **Enhanced understanding of low-temperature physics:** Participants gained a solid understanding of the principles and phenomena associated with low-temperature physics, which is essential for their academic development in physics.
- **Awareness of advanced technologies:** Students were introduced to the cutting-edge technologies used to achieve and utilize low temperatures, broadening their knowledge of applied physics.
- **Increased interest in research opportunities:** The seminar sparked curiosity among students, encouraging them to explore research opportunities in low-temperature physics and related fields.
- **Improved faculty-student interaction:** The seminar facilitated closer interaction between students and faculty members, fostering a collaborative academic environment that supports inquiry and learning.

- **Recognition of practical applications:** Students became more aware of the real-world applications of low-temperature physics, helping them understand the relevance of their studies to various scientific and industrial sectors.

5. Conclusion

The seminar on "Low Temperature Physics" organized by the Department of Physics, Andhra Christian College, Guntur, was a highly informative and successful event. Mr. P. M. Prasad delivered an engaging presentation that effectively conveyed complex concepts in an accessible manner. The seminar achieved its objectives, providing participants with valuable insights and knowledge that will inspire further academic inquiry and exploration in the fascinating field of low-temperature physics.

Department of Sociology

Seminar Report on "Trends and Problems in Higher Education"

Organized by: Department of Sociology

Target Audience: Students of I, II, and III B.A.

Date: 8th January 2020

Time: 11:00 a.m. to 1:00 p.m.

Venue: College Assembly Hall

Resource Person: Dr. M. Rose Paulina, Senior Lecturer, St. Gregory College, Vetapalem

Event Coordinator: Mr. V. George Wilson, Head of the Department of Sociology

1. Introduction:

The Department of Sociology organized a seminar on "Trends and Problems in Higher Education" for the students of I, II, and III B.A. on 8th January 2020. The seminar, held at the College Assembly Hall from 11:00 a.m. to 1:00 p.m., was aimed at exploring the current trends in higher education, along with the challenges faced by institutions and students alike. The seminar was delivered by Dr. M. Rose Paulina, a distinguished Senior Lecturer from St. Gregory College, Vetapalem.

2. Objectives of the Seminar:

The seminar was designed with the following objectives:

- 1. To identify and analyze current trends in higher education:**
Discuss the evolving landscape of higher education, including emerging pedagogical approaches, technological advancements, and policy changes.
- 2. To explore the problems and challenges in higher education:**
Examine the key issues faced by students, educators, and institutions, such as accessibility, affordability, quality, and relevance of education.
- 3. To encourage students to critically evaluate higher education systems:**
Promote critical thinking among students regarding the effectiveness and inclusivity of higher education in meeting the needs of a diverse society.
- 4. To understand the sociological implications of trends and problems in higher education:**
Analyze the impact of these trends and challenges on social structures, cultural norms, and individual aspirations.

3. Details of the Seminar:

The seminar began with an introductory address by Mr. V. George Wilson, Head of the Department of Sociology. He highlighted the importance of understanding the dynamic nature of higher education, given its significant role in shaping the future of society.

Dr. M. Rose Paulina, the resource person for the seminar, commenced her presentation by outlining the historical evolution of higher education globally and in India. She then delved into the following key trends currently influencing higher education:

- **Digital Transformation:** The increasing integration of digital tools and online platforms in teaching and learning, especially in the context of global education.
- **Interdisciplinary Education:** The shift towards more flexible and interdisciplinary curricula, allowing students to tailor their education according to their interests and career aspirations.
- **Globalization of Education:** The growing trend of international collaboration and the mobility of students and faculty across borders, leading to a more interconnected academic community.
- **Focus on Skill Development:** The rising emphasis on developing practical skills and competencies in students, alongside traditional academic knowledge, to better prepare them for the workforce.

Dr. Paulina also discussed the major problems plaguing higher education, including:

- **Access and Equity:** The persistent disparities in access to higher education, particularly for marginalized and underprivileged communities.
- **Quality Assurance:** The challenges in maintaining and improving the quality of education across diverse institutions, including issues related to accreditation and standardization.
- **Financial Constraints:** The increasing cost of higher education and the financial burden it places on students and their families.
- **Relevance of Curriculum:** The ongoing debate over the relevance of traditional curricula in meeting the needs of a rapidly changing world, especially in terms of employability.

Following her presentation, Dr. Paulina engaged the students in a thought-provoking discussion, encouraging them to share their experiences and perspectives on the trends and problems she had outlined. The interactive session provided a platform for students to voice their concerns and seek guidance on navigating the challenges of higher education.

4. Outcomes of the Seminar:

The seminar achieved its intended objectives, resulting in the following outcomes:

1. **Increased Awareness:**
Students gained a comprehensive understanding of the current trends shaping higher education and the associated challenges.
2. **Critical Analysis:**
The seminar fostered critical thinking among students, enabling them to assess the effectiveness of higher education systems in addressing societal needs.
3. **Engagement with Sociological Perspectives:**
The discussion highlighted the sociological dimensions of higher education, encouraging students to consider the broader social implications of educational trends and issues.
4. **Enhanced Participation:**
The interactive session provided a platform for students to actively participate in the discourse, enhancing their engagement with the subject matter.

5. Conclusion:

The seminar on "Trends and Problems in Higher Education" was a significant academic event that provided valuable insights to the students of I, II, and III B.A. The Department of Sociology, under the leadership of Mr. V. George Wilson, successfully organized the seminar, with Dr. M. Rose Paulina delivering an informative and engaging session. The seminar not only enriched the students' understanding of the evolving landscape of higher education but also inspired them to critically evaluate the challenges and opportunities that lie ahead.

Department of Sociology

Seminar Report on "National Education Policy – 2020 (NEP 2020)"

Organized by: Department of Sociology

Target Audience: Students of II and III B.A.

Date: 25 – 11 – 2022

Time: 11:00 a.m.

Venue: College Assembly Hall

Resource Person: Mr. Shaik Saida Vali, M.A., M.A., M.Ed., Senior Lecturer and Vice-Principal, St. Gregory College, Vetapalem, Chirala

Event Coordinator: Mr. V. George Wilson, Head of the Department of Sociology

1. Introduction:

The Department of Sociology organized a seminar on the "National Education Policy - 2020" for the students of II and III B.A. on 25th November 2022. The event was held at the College Assembly Hall at 11:00 a.m. The purpose of this seminar was to familiarize students with the key aspects of the National Education Policy (NEP) 2020 and its implications on higher education in India. Mr. Shaik Saida Vali, a distinguished academician and the Vice-Principal of St. Gregory College, Vetapalem, served as the resource person for the seminar.

2. Objectives of the Seminar:

The seminar aimed to achieve the following objectives:

- 1. To provide an overview of the National Education Policy 2020:**
Introduce the students to the vision, principles, and major reforms proposed under the NEP 2020.
- 2. To analyze the impact of NEP 2020 on higher education:**
Discuss the implications of the policy on the structure, curriculum, and functioning of higher education institutions.
- 3. To encourage critical thinking and discussion among students:**
Create an interactive platform for students to engage in discussions and express their views on the policy.
- 4. To understand the role of Sociology in the context of NEP 2020:**
Explore the interdisciplinary connections between Sociology and the reforms introduced in NEP 2020, particularly in terms of equity, inclusivity, and societal impact.

3. Details of the Seminar:

The seminar commenced with an introductory speech by Mr. V. George Wilson, Head of the Department of Sociology. He emphasized the importance of understanding the National Education Policy 2020, given its transformative potential for the Indian education system.

Following the introduction, the session was handed over to the resource person, Mr. Shaik Saida Vali. He began by providing a historical context to the development of education policies in India, leading up to the formulation of NEP 2020. He highlighted the key features of the policy, such as:

- **Holistic and Multidisciplinary Education:** The policy's emphasis on a broad-based, flexible curriculum that integrates the arts, humanities, sciences, and vocational subjects.
- **Equity and Inclusion:** The focus on promoting access to education for all, particularly for marginalized and disadvantaged groups.
- **Use of Technology:** The integration of digital tools and online resources in education to enhance learning experiences.
- **Teacher Training and Professional Development:** The introduction of new frameworks for continuous professional development and assessment of educators.
- **Autonomy and Governance:** The restructuring of educational institutions to provide greater autonomy and improve governance mechanisms.

Mr. Saida Vali also discussed the potential challenges in implementing NEP 2020, such as the need for infrastructure development, capacity building, and the alignment of state policies with the national framework.

The seminar concluded with an interactive session, where students actively participated by posing questions and sharing their perspectives on the NEP 2020. The resource person addressed their queries, providing insightful explanations and encouraging them to think critically about the policy's implications.

4. Outcomes of the Seminar:

The seminar successfully met its objectives, with the following outcomes:

1. **Enhanced Understanding:**
Students gained a comprehensive understanding of the National Education Policy 2020, including its vision, goals, and key reforms.
2. **Increased Awareness:**
The seminar increased students' awareness of the challenges and opportunities presented by the NEP 2020, particularly in the context of higher education.
3. **Critical Engagement:**
The interactive session encouraged students to critically engage with the policy, fostering a deeper appreciation of its impact on society.
4. **Interdisciplinary Perspective:**
The discussion highlighted the relevance of Sociology in analyzing education policies, particularly in terms of equity, social justice, and inclusivity.

5. Conclusion:

The seminar on "National Education Policy - 2020" was a significant academic event that provided valuable insights to the students of II and III B.A. The Department of Sociology, under the guidance of Mr. V. George Wilson, successfully organized the seminar, with the resource person, Mr. Shaik Saida Vali, delivering an informative and engaging session. The seminar not only enriched the students' knowledge but also inspired them to think critically about the future of education in India.

Time: 2:00 p.m.

Venue: College Assembly Hall

Resource Person: Mr. K. John Frederick, Principal, Prathipati Srimaan Brothers College, Chirala

Event Coordinator: Mr. V. George Wilson, Head of the Department of Sociology

1. Introduction:

The Department of Sociology organized a seminar on the topic "Sociology as a Profession" on 23rd August 2022. The seminar, aimed at enlightening students about the professional avenues in the field of Sociology, was held in the College Assembly Hall at 2:00 p.m. Mr. K. John Frederick, Principal of Prathipati Srimaan Brothers College, Chirala, was invited as the resource person to share his expertise and insights on the subject. The seminar was coordinated by Mr. V. George Wilson, Head of the Department of Sociology.

2. Objectives of the Seminar:

The seminar was designed to fulfill the following objectives:

1. **To provide an overview of Sociology as a profession:**
Introduce students to the various career paths and professional opportunities available to graduates in Sociology.
2. **To highlight the skills and competencies required for a career in Sociology:**
Discuss the key skills, such as critical thinking, research abilities, and communication, that are essential for success in the field.
3. **To explore the roles and responsibilities of sociologists in different sectors:**
Illustrate the diverse roles that sociologists play in academia, research, policy-making, social work, and other sectors.
4. **To inspire students to pursue a career in Sociology:**
Motivate students to consider Sociology as a viable and fulfilling career option by sharing success stories and professional experiences.

3. Details of the Seminar:

The seminar commenced with an introductory address by Mr. V. George Wilson, who emphasized the importance of understanding Sociology not just as an academic discipline, but as a profession with diverse career opportunities. He also introduced the resource person, Mr. K. John Frederick, whose extensive experience in the field of Sociology made him an ideal speaker for the seminar.

Mr. K. John Frederick began his presentation by providing a comprehensive overview of Sociology as a profession. He discussed the historical development of Sociology as an academic discipline and how it has evolved into a profession that plays a crucial role in understanding and addressing social issues.

Key points covered in the seminar included:

- **Career Opportunities in Sociology:**
Mr. Frederick highlighted various career paths available to Sociology graduates, including roles in academia, social research, public policy, social work, corporate sectors, non-governmental organizations (NGOs), and international agencies. He provided examples of how sociologists contribute to understanding societal trends, shaping public policies, and promoting social justice.
- **Skills Required for Sociologists:**
The resource person emphasized the importance of developing critical thinking, analytical skills, research methodology, and effective communication. He discussed how these skills are not only valuable in Sociology but also transferable to other fields, making Sociology graduates versatile professionals.
- **Professional Roles of Sociologists:**
Mr. Frederick elaborated on the different professional roles sociologists play, such as academic researchers, policy analysts, social workers, human resource specialists, and market researchers. He shared real-life examples of sociologists who have made significant contributions in various sectors, demonstrating the impact of Sociology on society.
- **Challenges and Opportunities in the Profession:**
The seminar also addressed the challenges faced by sociologists, such as navigating complex social issues, dealing with ethical dilemmas, and securing funding for research. However, Mr. Frederick pointed out that these challenges also present opportunities for innovation and making meaningful contributions to society.

Following the presentation, a question-and-answer session was conducted, where students actively participated by asking questions related to career prospects, required qualifications, and the future of Sociology as a profession. Mr. Frederick provided detailed responses, offering guidance and encouragement to students considering a career in Sociology.

4. Outcomes of the Seminar:

The seminar successfully met its objectives, leading to the following outcomes:

1. **Enhanced Understanding of Sociology as a Profession:**

Students gained a clearer understanding of the diverse career paths available in Sociology and the professional roles sociologists can undertake.

2. **Skill Development Awareness:**

The seminar highlighted the importance of developing key skills that are crucial for a successful career in Sociology, motivating students to focus on honing these competencies during their academic journey.

3. **Increased Interest in Sociology Careers:**

The insights and real-life examples shared by Mr. Frederick inspired many students to seriously consider Sociology as a viable and fulfilling career option.

4. **Engagement with the Field:**

The interactive session encouraged students to engage more deeply with the field of Sociology, fostering a sense of curiosity and a desire to contribute to society through this profession.

5. Conclusion:

The seminar on "Sociology as a Profession" was a valuable academic event that provided students of I, II, and III B.A. with a comprehensive understanding of the professional opportunities in the field of Sociology. Organized by the Department of Sociology and led by Mr. V. George Wilson, the seminar was well-received by the students, who benefited greatly from the expertise shared by Mr. K. John Frederick. The seminar not only broadened the students' perspectives on career options but also motivated them to pursue Sociology with renewed enthusiasm and dedication.

Department of Economics

Seminar Report on "Social Development Programmes in Andhra Pradesh"

Event Details:

- **Topic:** Social Development Programmes in Andhra Pradesh
- **Date:** 03 – 09 – 2021
- **Time:** 4:00 p.m.
- **Venue:** Department of Economics, A.C. College, Guntur
- **Target Audience:** B.A. Students
- **Organized by:** Department of Economics, A.C. College, Guntur
- **Head of Department:** Dr. A. J. Bhagyalatha
- **Senior Lecturer:** Dr. N. Martha Mrudula
- **Resource Person:** Mrs. Sk. Haseena, Lecturer in Economics, Hindu College, Guntur

1. Objectives of the Seminar:

The seminar aimed to achieve the following objectives:

1. **To Educate Students on Social Development Initiatives:**
The primary objective was to provide B.A. students with a comprehensive understanding of the various social development programmes implemented by the Government of Andhra Pradesh. These include schemes focused on poverty alleviation, women empowerment, education, health, and rural development.
2. **To Analyse the Impact of Social Development Programmes:**
The seminar sought to analyse the effectiveness and impact of these programmes on the socio-economic development of the state, with a particular focus on marginalized and disadvantaged communities.
3. **To Encourage Critical Thinking and Engagement:**
The seminar aimed to encourage students to critically engage with the policies and their implementation, fostering a deeper understanding of the challenges and successes of social development in the state.
4. **To Enhance Awareness of Policy Implementation:**
Another key objective was to increase awareness among students regarding the policy framework, governance mechanisms, and the role of local government in executing social development programmes.

2. Proceedings of the Seminar:

- **Opening Remarks:**

The seminar commenced with a welcome address by Dr. A. J. Bhagyalatha, Head of the Department of Economics. She highlighted the importance of understanding social development programmes as essential for aspiring economists and policy makers.

- **Introduction of Resource Person:**

Dr. N. Martha Mrudula introduced the resource person, Mrs. Sk. Haseena, emphasizing her expertise in economic development and her significant contributions to the academic field.

- **Presentation by the Resource Person:**

Mrs. Sk. Haseena delivered an insightful presentation on the various social development programmes in Andhra Pradesh. She provided a detailed overview of flagship programmes like the YSR Pension Kanuka, Amma Vodi, and Navaratnalu schemes. She explained the objectives, eligibility criteria, and the distribution mechanisms of these schemes, supported by statistical data and case studies.

- **Interactive Session:**

Following the presentation, students engaged in an interactive session with the resource person. They raised questions about the challenges in the implementation of these programmes and discussed potential improvements. Mrs. Haseena addressed these queries and provided in-depth explanations.

- **Conclusion:**

The seminar concluded with closing remarks from Dr. N. Martha Mrudula. She appreciated the resource person for her comprehensive presentation and encouraged students to continue exploring the field of social development economics.

3. Outcomes of the Seminar:

The seminar successfully achieved its objectives, resulting in the following outcomes:

1. **Enhanced Knowledge:**

Students gained a thorough understanding of the social development programmes in Andhra Pradesh, including their design, objectives, and impact on the state's population.

2. **Critical Analysis Skills:**

Participants developed the ability to critically analyze government policies and their implementation, which is essential for their future roles as economists or policy advisors.

3. **Increased Awareness:**

The seminar increased awareness among students about the importance of social development and the role of government in promoting equitable growth.

4. **Engaged Participation:**

The interactive session fostered active participation and engagement among students, leading to a deeper interest in social and economic issues.

5. **Future Research Ideas:**

The seminar sparked interest among students in pursuing research on related topics, such as the effectiveness of specific social programmes or comparative studies of development initiatives across different states.

Department of History

Seminar Report on "Mouryan's Administration - Principles of Ashoka Dhamma"

Conducted by: Department of History, Andhra Christian College, Guntur

Date: 21st September 2022

Time: 11:00 AM

Venue: Room No. 3

Introduction:

The Department of History, Andhra Christian College, Guntur, organized a seminar on "Mouryan's Administration - Principles of Ashoka Dhamma" for the II B. A. students. The seminar aimed to delve into the administrative strategies of the Mouryan Empire, particularly under Emperor Ashoka, and to understand the principles of Ashoka Dhamma.

Participants:

- **Head of the Department:** Mr. M. Siril Kumar
- **Faculty Members:**

Mr. M. John Newton, Lecturer, U. G. Department of History

Mr. P. Rajesh, Lecturer, U. G. Department of History

Mr. N. Mukkanti, P. G. Department of History

Mr. G. Prakasa Rao, P. G. Department of History

- **Resource Person:** Mr. B. Chennaiah, Head, Department of History, Hindu College, Guntur

Seminar Proceedings:

The seminar began with an introduction by Mr. M. Siril Kumar, Head of the Department of History. He welcomed the students and faculty and highlighted the importance of understanding ancient Indian administration and the ethical governance principles promoted by Ashoka.

Session by Mr. B. Chennaiah:

Mr. B. Chennaiah, the resource person for the seminar, delivered an insightful lecture on the Mouryan administration and the principles of Ashoka Dhamma. His key points included:

1. Centralized Administration:

The Mouryan Empire under Chandragupta Maurya and his advisor Chanakya established a highly centralized form of government.

The role of provinces (Janapadas) and the appointment of provincial governors (Kumara) was discussed.

2. **Revenue System:**

The systematic revenue collection process, including land tax (Bhaga) and trade duties, was explained.

The importance of a well-organized bureaucracy in the administration of vast territories was emphasized.

3. **Military Organization:**

The structure of the Mouryan military, including infantry, cavalry, elephants, and chariots, was detailed.

The strategic importance of maintaining a strong and disciplined army was highlighted.

4. **Ashoka's Dhamma:**

Mr. Chennaiah elaborated on Ashoka's transformation after the Kalinga War and his subsequent adoption of Buddhism.

The principles of Ashoka Dhamma, including non-violence (Ahimsa), tolerance, and welfare measures for the people, were discussed.

The significance of Ashoka's edicts as tools for communicating his policies and moral teachings to his subjects was analyzed.

5. **Public Welfare:**

Initiatives such as the establishment of hospitals, rest houses, and the planting of shade trees along roadsides were mentioned as examples of Ashoka's concern for public welfare.

The role of Dhamma Mahamatras (officers of Dhamma) in promoting ethical behaviour and social harmony was explored.

Interactive Session:

Following the lecture, an interactive session was held where students posed questions to Mr. B. Chennaiah. Topics such as the influence of Ashoka's policies on subsequent Indian rulers and the relevance of Ashoka Dhamma in contemporary times were discussed. The resource person provided detailed and thoughtful responses, enriching the students' understanding of the subject.

Conclusion:

The seminar concluded with a vote of thanks by Mr. M. John Newton. He expressed gratitude to Mr. B. Chennaiah for his enlightening lecture and to all the faculty members and students for their active participation. The seminar was highly informative and provided valuable insights into the administrative prowess of the Mouryan Empire and the ethical governance principles of Ashoka Dhamma.

Seminar Report: A View on 18th and 19th Century Social Reforms in India on Gender Sensitization

Date: 16th September 2022

Time: 3:00 PM

Venue: Department of History, Andhra Christian College, Guntur

Organized by

Department of History, Andhra Christian College, Guntur

Resource Person

Smt. G. Manikyamma, Lecturer in History, Andhra Muslim College, Guntur

Faculty of the Department of History, Andhra Christian College, Guntur

- **Mr. M. Siril Kumar**, i/c Head of the Department
- **Mr. P. Rajesh**
- **Mr. M. John Newton**
- **Mr. N. Mukkanti (P. G.)**
- **Mr. G. Prakasa Rao (P. G.)**

Attendees

The seminar was attended by faculty members and students of the Department of History, Andhra Christian College, Guntur.

Seminar Overview

On the 16th of September, 2022, the Department of History, Andhra Christian College, Guntur, hosted a seminar titled "A View on 18th and 19th Century Social Reforms in India on Gender Sensitization." The session was graced by the esteemed presence of **Smt. G. Manikyamma**, Lecturer in History, Andhra Muslim College, Guntur, who served as the resource person for the event.

Opening Remarks

The seminar commenced at 3:00 PM with an opening address by **Mr. M. Siril Kumar**, Head of the Department of History. He welcomed the resource person, faculty members, and students, emphasizing the importance of understanding historical social reforms and their impact on contemporary gender issues.

Presentation by Smt. G. Manikyamma

Smt. G. Manikyamma delivered an insightful presentation, focusing on the significant social reforms of the 18th and 19th centuries in India, particularly those related to gender sensitization. Her talk covered various aspects including:

1. **Early Social Reform Movements:**
 - The role of Raja Ram Mohan Roy in the abolition of Sati.
 - The efforts of Ishwar Chandra Vidyasagar in promoting widow remarriage.
 - Jyotirao Phule and Savitribai Phule's work towards women's education and upliftment of the marginalized.
2. **Legislative Reforms:**
 - The introduction and impact of laws like the Widow Remarriage Act (1856) and the Age of Consent Act (1891).
 - The role of British colonial administration in implementing these laws.
3. **Women's Education:**
 - The establishment of schools and institutions dedicated to women's education.
 - Contributions of reformers such as Pandita Ramabai and Sarojini Naidu.
4. **Gender Sensitization:**
 - The impact of these reforms on changing societal attitudes towards women.
 - The gradual shift from traditional patriarchal norms to a more gender-sensitive approach in Indian society.

Interactive Session

Following the presentation, an interactive session was held where students and faculty members engaged with Smt. Manikyamma. Questions were raised regarding the challenges faced by reformers, the resistance from orthodox segments of society, and the long-term effects of these reforms on modern-day gender issues in India. Smt. Manikyamma provided detailed and insightful responses, encouraging further discussion and critical thinking among the attendees.

Conclusion

The seminar concluded with a vote of thanks by **Mr. P. Rajesh**, who expressed gratitude to Smt. G. Manikyamma for her enlightening presentation and to all participants for their active engagement. He emphasized the relevance of historical social reforms in understanding and addressing current gender issues.

The event was a significant success, fostering a deeper understanding of the historical context of gender sensitization and inspiring attendees to continue exploring and addressing gender issues in contemporary society.

Detailed Seminar Report

Topic: "Sir Syed Ahmad Khan Aur Urdu Adab"

Date: 23rd November 2022

Time: 11:30 a.m.

Venue: College Assembly Hall, Andhra Christian College

Organized by: Department of Urdu, Andhra Christian College

Resource Person: Sri. Md. Mubarak Hussain, Head, Department of Urdu, Andhra Muslim College, Guntur

Head of the Department: Mr. Sk. Abdullah

Faculty of Other Departments Present: Various faculty members from different departments

Attendees: Undergraduate students of Andhra Christian College

Objectives of the Seminar

The seminar on "Sir Syed Ahmad Khan Aur Urdu Adab" was organized with the following objectives:

1. **Educational Enlightenment:** To educate students about the life, contributions, and influence of Sir Syed Ahmad Khan in the development of Urdu literature and education in India.
2. **Cultural Awareness:** To highlight the cultural and literary impact of Sir Syed Ahmad Khan's efforts, particularly through the establishment of institutions like the Aligarh Muslim University.
3. **Literary Appreciation:** To foster an appreciation among students for Urdu literature by discussing the historical context in which Sir Syed Ahmad Khan worked and his contributions to its evolution.
4. **Intellectual Engagement:** To provide a platform for intellectual exchange between students and faculty on the significance of Sir Syed Ahmad Khan's work and its relevance in contemporary times.
5. **Promotion of Urdu Language:** To encourage students to delve deeper into Urdu literature and to recognize the role of key figures like Sir Syed in promoting the language and its literature.

Seminar Proceedings

Introduction

The seminar commenced with a warm welcome from Mr. Sk. Abdullah, Head of the Department of Urdu, who set the tone for the event by briefly outlining the objectives of the seminar. He emphasized the importance of understanding the historical and cultural contexts in which Sir Syed Ahmad Khan worked and his monumental contributions to Urdu literature and education.

Resource Person's Lecture

Sri. Md. Mubarak Hussain, an esteemed scholar and the Head of the Department of Urdu at Andhra Muslim College, Guntur, was the resource person for the seminar. His lecture provided an in-depth exploration of Sir Syed Ahmad Khan's life, his vision, and his enduring legacy in Urdu literature.

Key Points Discussed:

1. **Biographical Overview:** Mr. Hussain began by giving a detailed biographical account of Sir Syed Ahmad Khan, highlighting his early life, education, and the socio-political environment of 19th-century India that shaped his thoughts and actions.
2. **Educational Reforms:** The lecture focused on Sir Syed's pioneering efforts in educational reform, particularly his founding of the Muhammadan Anglo-Oriental College, which later became Aligarh Muslim University. Mr. Hussain emphasized how Sir Syed viewed education as the key to the empowerment of Muslims in India, and how this vision was instrumental in the upliftment of the community.
3. **Contribution to Urdu Literature:** The core of the seminar revolved around Sir Syed's contributions to Urdu literature. Mr. Hussain elaborated on Sir Syed's role in promoting Urdu as a language of knowledge and science, alongside Persian and Arabic. He discussed Sir Syed's literary works, including his essays, articles, and translations, which played a crucial role in modernizing Urdu literature and making it accessible to a broader audience.
4. **Aligarh Movement:** The Aligarh Movement, initiated by Sir Syed, was another focal point of the seminar. Mr. Hussain explained how the movement was not only about educational reform but also about cultural revival. Sir Syed's efforts to modernize the Muslim community through education, scientific knowledge, and cultural reformation were highlighted as pivotal moments in the history of Urdu literature.
5. **Legacy and Impact:** The lecture concluded with an assessment of Sir Syed Ahmad Khan's legacy. Mr. Hussain emphasized that Sir Syed's work laid the foundation for modern Urdu prose and influenced subsequent generations of Urdu writers and intellectuals. His vision for a progressive, educated, and culturally rich Muslim community continues to resonate today.

Interaction and Discussion

After the lecture, the seminar opened up for an interactive session where students and faculty members engaged in a lively discussion with Sri. Md. Mubarak Hussain. Questions were raised about the challenges faced by Sir Syed in his reform efforts, his vision for the Urdu language, and how his ideas can be applied in the present-day context.

The discussion also touched on the importance of preserving and promoting Urdu literature in contemporary India, and the role that educational institutions play in this endeavour.

Outcomes of the Seminar

1. **Enhanced Understanding:** Students gained a deeper understanding of Sir Syed Ahmad Khan's contributions to Urdu literature and the broader socio-cultural landscape of 19th-century India.
2. **Increased Interest in Urdu Literature:** The seminar succeeded in sparking interest among students in exploring Urdu literature further, particularly the works of Sir Syed and his contemporaries.
3. **Cultural Awareness:** The seminar promoted cultural awareness by highlighting the importance of historical figures like Sir Syed in shaping the cultural and educational fabric of India.
4. **Interdisciplinary Engagement:** The presence of faculty from other departments enriched the discussion, bringing in diverse perspectives on the relevance of Sir Syed's ideas in modern times.
5. **Commitment to Educational and Literary Goals:** The seminar reinforced the department's commitment to educational excellence and the promotion of Urdu literature among undergraduate students.

Conclusion

The seminar on "Sir Syed Ahmad Khan Aur Urdu Adab" was a resounding success, fulfilling its objectives and providing students with a comprehensive understanding of Sir Syed's pivotal role in Urdu literature and education. The event not only celebrated the legacy of Sir Syed Ahmad Khan but also encouraged students to engage more deeply with Urdu literature and its ongoing relevance in today's world.

Department of English (P. G.)

Seminar Report on "Soft Skills"

Conducted by: Department of English (P.G.)

Date: 20th September 2022

Time: 10:00 a.m. to 12:00 noon

Venue: Department of English (P.G.)

Resource Person: Mr. P. Jagadish Raj, Lecturer in English, Abhyudaya Degree College (W), Guntur

Attendees:

- Mrs. K. E. Jeevana Jyothi, Head of the Department (HOD), English (P.G.)
- Ms. M. Eva Elizabeth, Lecturer, Department of English (P.G.)
- Mrs. B. Vani Grace, Lecturer, Department of English (P.G.)
- Mrs. Y. Salome Mercy, Lecturer, Department of English (P.G.)
- Students of the Department of English (P.G.)

1. Introduction

The Department of English (P.G.) organized a seminar on "Soft Skills" on 20th September 2022, aiming to equip students with essential skills that complement their academic knowledge and enhance their employability. The seminar was conducted by Mr. P. Jagadish Raj, a seasoned Lecturer in English from Abhyudaya Degree College (W), Guntur. The focus of the seminar was to introduce and elaborate on critical soft skills that are indispensable in both personal and professional settings.

2. Objectives of the Seminar

The seminar was organized with the following objectives:

- **To highlight the importance of soft skills:** The session aimed to make students aware of the significance of soft skills in achieving success in various aspects of life.
- **To provide insights into key soft skills:** The seminar sought to educate students on specific soft skills such as public speaking, leadership, interpersonal skills, communication skills, stress management, decision-making, and conflict management.
- **To offer practical strategies for skill development:** The seminar aimed to provide students with actionable strategies to develop and enhance their soft skills.
- **To prepare students for the professional world:** The event aimed to bridge the gap between academic learning and real-world applications by focusing on the soft skills required in the workplace.

3. Seminar Proceedings

The seminar began at 10:00 a.m. with a welcome address by Mrs. K. E. Jeevana Jyothi, Head of the Department of English (P.G.). She emphasized the importance of soft skills in today's competitive world and introduced the resource person, Mr. P. Jagadish Raj.

Key topics covered during the seminar included:

1. Public Speaking:

Mr. Raj started with the importance of public speaking, highlighting how effective public speaking can influence and inspire others. He provided tips on overcoming the fear of speaking in public, structuring speeches, and engaging with the audience.

2. Leadership:

The resource person discussed the qualities of an effective leader and the various leadership styles. He emphasized the importance of being adaptable, decisive, and empathetic as a leader, and shared examples of how leadership plays a crucial role in both academic and professional environments.

3. Interpersonal Skills:

Interpersonal skills, such as empathy, active listening, and emotional intelligence, were highlighted as vital for building and maintaining healthy relationships. Mr. Raj discussed how these skills are crucial in teamwork and collaboration, both in the workplace and in personal life.

4. Communication Skills:

The seminar covered both verbal and non-verbal communication, stressing the importance of clear and concise communication. Mr. Raj provided practical tips on improving communication skills, including active listening, maintaining eye contact, and understanding body language.

5. Stress Management:

Stress management was addressed as a critical soft skill, especially in high-pressure environments. The resource person discussed techniques for managing stress, such as time management, mindfulness, and relaxation exercises. He also emphasized the importance of maintaining a work-life balance.

6. Decision Making:

Mr. Raj elaborated on the process of decision-making, highlighting the importance of critical thinking and problem-solving. He discussed various decision-making models and provided strategies for making informed and effective decisions in both personal and professional settings.

7. Conflict Management:

The seminar concluded with a discussion on conflict management, where Mr. Raj explained how conflicts are inevitable in any setting but can be managed effectively with the right approach. He provided techniques for resolving conflicts, such as negotiation, mediation, and active listening, and stressed the importance of maintaining a calm and professional demeanour during conflicts.

Throughout the seminar, he engaged the students with real-life examples, interactive discussions, and practical exercises that allowed them to practice the soft skills being discussed. The students were encouraged to ask questions and share their own experiences, making the session highly interactive and beneficial.

4. Outcomes of the Seminar

The seminar achieved its objectives and resulted in the following outcomes:

- **Increased Awareness:** Students gained a clear understanding of the importance of soft skills and their relevance in various aspects of life.
- **Identification of Key Soft Skills:** Participants were able to identify and understand the key soft skills that are essential for personal and professional success.
- **Practical Knowledge:** The students received practical tips and strategies for developing and improving their soft skills, which they can apply in real-life situations.
- **Enhanced Confidence:** The seminar helped boost the students' confidence in their ability to speak in public, make decisions, and manage stress and conflicts.
- **Preparation for the Future:** The seminar prepared students to face the challenges of the professional world by equipping them with the necessary soft skills.

5. Conclusion

The seminar on "Soft Skills" conducted by the Department of English (P.G.) was a highly successful and enriching event. The students greatly benefited from the insights provided by Mr. P. Jagadish Raj, and the seminar served as an excellent platform for them to develop and enhance their soft skills.

Seminar Report on "Schools & Movements in English Literature"

Conducted by: Department of English (P.G.)

Date: 20th September 2022

Time: 10:00 a.m. to 12:00 noon

Venue: Department of English (P.G.)

Resource Person: Mr. Ch. Gopi, Faculty of English, J.K.C. College, Guntur

Attendees:

- Mrs. K. E. Jeevana Jyothi, Head of the Department (HOD), English (P.G.)
- Ms. M. Eva Elizebeth, Lecturer, Department of English (P.G.)
- Mrs. B. Vani Grace, Lecturer, Department of English (P.G.)
- Mrs. Y. Salome Mercy, Lecturer, Department of English (P.G.)
- Students of the Department of English (P.G.)

1. Introduction

The Department of English (P.G.) organized a seminar on the topic "Schools & Movements in English Literature" on 20th September 2022. The purpose of this seminar was to provide students with an in-depth understanding of the major literary periods and movements in English literature, focusing on significant works and authors from each era. Mr. Ch. Gopi, an esteemed Faculty of English from J.K.C. College, Guntur, was invited as the resource person to lead the seminar.

2. Objectives of the Seminar

The seminar was organized with the following objectives:

- **To provide a historical overview of English literature:** The seminar aimed to offer students a comprehensive understanding of the development of English literature through various historical periods.
- **To explore key literary works and authors:** Students were introduced to important literary works and influential authors from different eras, helping them recognize the evolution of literary styles and themes.
- **To understand the characteristics of different literary movements:** The session sought to highlight the distinguishing features of major literary schools and movements, enhancing students' analytical skills.
- **To encourage critical thinking and discussion:** The seminar encouraged students to engage in discussions and critically analyze the impact of historical, social, and cultural contexts on literature.

3. Seminar Proceedings

The seminar commenced at 10:00 a.m. with a welcome address by Mrs. K. E. Jeevana Jyothi, Head of the Department of English (P.G.). She introduced the resource person, Mr. Ch. Gopi, and provided a brief overview of the seminar's agenda, emphasizing the importance of understanding literary history in a holistic manner.

Key topics covered during the seminar included:

1. Old English Period (450 - 1066):

Literary Works: Mr. Gopi discussed the significance of epic poetry in this era, focusing on *Beowulf* and *The Dream of the Rood*. He highlighted the oral tradition of storytelling and the use of alliteration and kennings in Old English literature.

Cultural Context: The resource person elaborated on the influence of Anglo-Saxon culture and the Christianization of England on the literature of this period.

2. Middle English Period (1066 - 1500):

Geoffrey Chaucer and The Canterbury Tales: Mr. Gopi provided an analysis of Chaucer's *The Canterbury Tales*, discussing its structure, themes, and the use of vernacular English. He explained how Chaucer's work marked a shift towards more personal and realistic storytelling.

Language Evolution: The seminar touched on the transition from Old English to Middle English and the impact of the Norman Conquest on the English language and literature.

3. Renaissance Period (Late 15th to Early 17th Century):

William Shakespeare: Mr. Gopi delved into the works of William Shakespeare, highlighting his contributions to drama and poetry. The discussion included an examination of Shakespeare's major tragedies, comedies, and sonnets.

Christopher Marlowe and Edmund Spenser: The seminar also covered the works of Christopher Marlowe and Edmund Spenser, focusing on Marlowe's *Doctor Faustus* and Spenser's *The Faerie Queene*. Mr. Gopi explained how these authors contributed to the flourishing of English literature during the Renaissance.

Throughout the seminar, Mr. Gopi engaged the students with questions and encouraged them to participate in discussions about the themes, styles, and significance of the literary works covered. The session was interactive, with students expressing their thoughts on how historical and cultural factors influenced the literature of each period.

4. Outcomes of the Seminar

The seminar successfully met its objectives, leading to the following outcomes:

- **Enhanced Knowledge of Literary History:** Students gained a deeper understanding of the chronological development of English literature, from the Old English period to the Renaissance.
- **Recognition of Key Literary Figures and Works:** Participants were able to identify and appreciate the contributions of key authors such as Geoffrey Chaucer, William Shakespeare, Christopher Marlowe, and Edmund Spenser.
- **Improved Analytical Skills:** The seminar equipped students with the tools to analyze and interpret literary texts within their historical and cultural contexts.
- **Increased Engagement with Literature:** The interactive nature of the seminar stimulated students' interest in exploring further literary periods and movements.
- **Preparation for Advanced Studies:** The seminar laid a solid foundation for students to pursue more advanced studies in English literature, particularly in understanding the evolution of literary forms and ideas.

5. Conclusion

The seminar on "Schools & Movements in English Literature" conducted by the Department of English (P.G.) was a valuable academic event that significantly enriched the students' knowledge and appreciation of English literary history. The insights provided by Mr. Ch. Gopi were instrumental in helping students grasp the complexities of literary movements and the contributions of key literary figures. The Department of English (P.G.) anticipates organizing more such seminars to continue fostering a deeper understanding of literature among its students.

A GUEST LECTURE WAS DELIVERED BY Smt. M. Anjana Devi, St. Ann's College, Gorantla, Guntur.

Topic: FUNCTIONS OF COMMERCIAL BANKS

Date: 04-04-2022

Time: 4:00 P.M.

Venue: Department of commerce

**Guest Lecture By Mrs. K. Jyothi, Lecturer in Commerce, A. C. College,
Guntur at St. Ann's College For Women**

Mrs. K. Jyothi, Lecturer in Commerce, A. C. College, Guntur, delivered an informative guest lecture on the topic "Computerized Accounting" at St. Ann's College for Women, Gorantla, Guntur, on 18-01-2023 at 11:30 a.m. The lecture was attended by an enthusiastic group of students and faculty members eager to understand the growing importance of computerized accounting in today's digital age. Mrs. K. Jyothi began by explaining the evolution of accounting practices from manual to computerized systems, highlighting the efficiency and accuracy that modern accounting software offers. She covered essential topics such as the features of popular accounting software, the process of automating financial transactions, and the importance of real-time data processing in business decision-making. By integrating practical examples, she demonstrated how computerized accounting enhances financial management and reporting accuracy. The session was highly interactive, with Mrs. Jyothi encouraging questions and discussions, which helped clarify complex concepts and ensured that the attendees grasped the subject matter thoroughly. The lecture was well-received, providing valuable insights into the significance of computerized accounting in the modern business environment, and inspiring students to explore this vital area further in their academic and professional pursuits.

Guest Lecture

Mr. T. Chandra Babu, the esteemed Head of the Department of Commerce, A. C. College, Guntur, delivered an engaging and informative guest lecture on the topic "Provisions and Reserves" at Government Degree College, Chebrole, on 15 – 02 – 2019 at 11:00 a.m. The lecture was a significant event, aimed at deepening the understanding of commerce students about these crucial aspects of financial accounting. He began by elucidating the fundamental concepts of provisions and reserves, emphasizing their roles in financial statements. He explained that provisions are specific amounts set aside from a company's profits to cover future liabilities or potential losses, reflecting prudent financial management. In contrast, reserves are portions of profits retained in the business to strengthen its financial position, often used for future expansion or unforeseen contingencies.

The lecture concluded with a discussion on the regulatory frameworks governing provisions and reserves, underlining the importance of adhering to accounting standards and legal requirements. The students and faculty members in attendance gained valuable insights, and the session was widely regarded as a significant contribution to their academic and professional development.

Guest Lecture

Mr. T. Venu Prakash Babu, a distinguished Lecturer in Commerce from A. C. College, Guntur, delivered an insightful guest lecture on the topic "Fundamentals of Commerce" at Government Degree College, Chebrole, on February 15, 2019, at 12:00 p.m. The lecture was well-attended by students and faculty, all eager to deepen their understanding of the foundational principles of commerce. Mr. Prakash Babu began by outlining the basic concepts of commerce, including trade, business transactions, and the role of commerce in the economic development of a nation. He emphasized the importance of understanding these fundamentals for anyone aspiring to build a career in the field of commerce. The lecture was structured in a way that made complex ideas accessible, with Mr. Prakash Babu using real-life examples and interactive discussions to engage the audience. His ability to connect theoretical concepts with practical applications was particularly appreciated by the attendees. The session not only enriched the knowledge of the students but also inspired them to explore the subject more deeply, making it a significant academic experience for all who participated.

Seminar Report on "Indian Parliament"

Date: 03 – 09 – 2021

Time: 11:00 a.m.

Venue: Assembly Hall, Andhra Christian College, Guntur

1. Introduction:

The Department of Political Science, Andhra Christian College, Guntur, organized a seminar on the topic "Indian Parliament" on September 3, 2021. The seminar was attended by students from I, II, and III B.A. classes, faculty members from the Political Science department, and other departments of the college. The resource person for the seminar was Mr. J. Venkateswara Rao, M.A., M. Phil., (Ph.D.), Senior Lecturer in the Department of Political Science, Hindu College, Guntur.

2. Objectives of the Seminar:

- **Educational Enrichment:** To enhance the understanding of the structure, functioning, and significance of the Indian Parliament among the students.
- **Critical Analysis:** To encourage students to critically analyse the role of the Indian Parliament in the democratic process of the country.
- **Awareness Creation:** To create awareness about the legislative processes, the roles of the Lok Sabha and Rajya Sabha, and the importance of parliamentary committees.
- **Student Engagement:** To engage students in discussions on the challenges and opportunities faced by the Indian Parliament in contemporary times.
- **Skill Development:** To develop the analytical and interpretative skills of students regarding the functioning of the legislative bodies in India.

3. Overview of the Seminar:

The seminar began with a welcome address by Mr. J. Paul Sunil, Head of the Department of Political Science. He emphasized the importance of understanding the Indian Parliament as a cornerstone of Indian democracy.

Mr. J. Venkateswara Rao delivered an insightful lecture on the "Indian Parliament," covering its historical evolution, the powers and functions of the Lok Sabha and Rajya Sabha, and the legislative process. He also discussed the role of the Parliament in ensuring checks and balances within the Indian political system.

Throughout the session, Mr. Venkateswara Rao highlighted key issues such as the importance of parliamentary debates, the role of the opposition, and the functioning of parliamentary

committees. He also addressed current challenges faced by the Indian Parliament, including disruptions, declining quality of debates, and the need for reforms to enhance its efficacy.

The lecture was followed by an interactive session where students actively participated by asking questions and sharing their perspectives. Mr. Venkateswara Rao provided clarifications and further insights, making the session highly engaging and informative.

4. Outcomes of the Seminar:

- **Enhanced Understanding:** Students gained a comprehensive understanding of the structure and functioning of the Indian Parliament, which is vital for their academic and future professional endeavours.
- **Increased Awareness:** The seminar successfully raised awareness among students about the critical role of the Indian Parliament in maintaining democratic governance in the country.
- **Critical Thinking:** The discussions encouraged students to critically think about the challenges faced by the Indian Parliament and consider potential reforms to improve its effectiveness.
- **Active Engagement:** The interactive session facilitated active student engagement, allowing them to express their views and seek clarification on complex topics.
- **Skill Development:** Students developed analytical skills through the examination of real-world parliamentary issues, enhancing their ability to analyse political processes.

5. Conclusion:

The seminar on "Indian Parliament" was a significant educational event that provided valuable insights into the workings of India's legislative body. The participation of Mr. J. Venkateswara Rao, with his expertise in Political Science, contributed to the success of the seminar. The event concluded with a vote of thanks by Mr. J. Samuel John, Lecturer in the Department of Political Science, who appreciated the resource person, students, and faculty for their active participation and contribution to the seminar.

Seminar Report

Title: Seminar on "Fundamental Rights in India"

Organized by: Department of Political Science, A. C. College, Guntur

Date: 12 – 09 – 2022

Time: 11:00 a.m.

Venue: Room No. 3

Target Audience: B.A. Students

Resource Person: Sri G. Venkata Rao, Lecturer, Department of Political Science, Andhra Muslim College, Guntur

Head of the Department: Mr. J. Paul Sunil

Lecturer: Mr. J. Samuel John

1. Introduction:

The Department of Political Science, A. C. College, Guntur organized a seminar on "Fundamental Rights in India" on 12th September 2022. The seminar was aimed at educating B.A. students about the significance of fundamental rights in the Indian Constitution and their relevance in contemporary society. The event was held in Room No. 3 at 11:00 a.m., and was attended by a large number of students from the department.

2. Objectives of the Seminar:

- **To educate students on the importance of Fundamental Rights:** The seminar aimed to provide students with a comprehensive understanding of the fundamental rights enshrined in the Indian Constitution and their crucial role in protecting the liberties of individuals.
- **To analyze the legal and constitutional framework:** The seminar sought to explain the legal and constitutional provisions related to fundamental rights and how they serve as the backbone of the democratic structure in India.
- **To discuss contemporary challenges:** Another objective was to bring to light the various challenges and issues related to the implementation and protection of fundamental rights in today's context.
- **To encourage critical thinking:** The seminar intended to foster critical thinking among students regarding the interpretation of fundamental rights and their application in various legal and social scenarios.

3. Seminar Proceedings:

The seminar began with a welcome address by Mr. J. Paul Sunil, Head of the Department of Political Science, who highlighted the importance of understanding fundamental rights in the current socio-political landscape.

Following the introduction, Sri G. Venkata Rao, the resource person for the seminar, delivered an insightful lecture on the topic. He began by explaining the historical context and the significance of incorporating fundamental rights into the Indian Constitution. He provided a detailed analysis of each of the six fundamental rights, namely:

1. **Right to Equality**
2. **Right to Freedom**
3. **Right against Exploitation**
4. **Right to Freedom of Religion**
5. **Cultural and Educational Rights**
6. **Right to Constitutional Remedies**

Sri G. Venkata Rao also discussed landmark cases where fundamental rights were upheld or violated, and the role of the judiciary in safeguarding these rights. He addressed contemporary issues such as freedom of speech, privacy rights, and the right to equality in the context of recent legal and societal developments.

4. Outcomes of the Seminar:

- **Enhanced Understanding:** The seminar successfully enhanced the understanding of fundamental rights among the students. The detailed explanations provided by the resource person helped students gain a deeper insight into the constitutional framework and its practical implications.
- **Awareness of Legal Rights:** Students became more aware of their legal rights and the avenues available for the protection of these rights. This awareness is expected to empower them to actively participate in democratic processes and seek justice when their rights are infringed.
- **Critical Analysis Skills:** The seminar encouraged students to critically analyze various cases and issues related to fundamental rights. This skill is essential for political science students who aim to contribute to the field of law, governance, or civil society.
- **Engagement in Discussions:** The interactive session that followed the lecture allowed students to engage in discussions with the resource person, further deepening their understanding and providing them with the opportunity to clarify doubts.

5. Conclusion:

The seminar on "Fundamental Rights in India" was a significant academic event for the Department of Political Science at A. C. College, Guntur. It provided the students with valuable knowledge and insights into one of the most crucial aspects of the Indian Constitution. The department, under the leadership of Mr. J. Paul Sunil, successfully

organized this event, which will undoubtedly contribute to the academic and personal growth of the students.

Acknowledgments:

The department extends its sincere gratitude to Sri G. Venkata Rao for his invaluable contribution as the resource person. Special thanks are also due to Mr. J. Samuel John, Lecturer, for his efforts in coordinating the event.
